UNIVERSITY PROFILE

MISSION STATEMENT

The mission of Kentucky Christian University is to educate students for Christian leadership and service in the Church and in professions throughout the world.

EXPANDED STATEMENT OF PURPOSE

Therefore, the Bible, which is regarded as the revealed Word of God and the final authority in all matters pertaining to life and faith, is exalted as the foundation of every curricular program. The pursuit of scholarship at Kentucky Christian University is distinguished by the conviction that to be truly educated one must have the capacity to make responsible moral decisions, be committed to serving the needs of others, and be recognized as a skilled contributor to one's profession. Such a distinction requires that students be exposed to the moral and spiritual principles taught in the Bible and that they are able to think ethically as well as logically, analytically, and critically.

The Board of Trustees, administration, faculty, and staff of the University are committed to the maintenance of an academic community in which Christian character and spiritual values accompany the tasks and opportunities of scholarship. Persuaded that education is a lifetime pursuit, the university provides a foundation of knowledge, skills, and values, which enables its students to:

- Enter meaningful and fulfilling professions within the leadership ministry of the Church and/or within the global community, resulting in the opportunity to fulfill the mandates of the Great Commission and to work as a means of self support.
- 2. Influence the religious, social, educational, and business communities with the biblical principles and moral character exemplified in the life and teachings of Jesus and His apostles.
- 3. Pursue and succeed in the attainment of personal and professional goals, including the completion of advanced academic degrees and/or promotion within their chosen field of endeavor.
- 4. Actively be involved in their communities as citizens who are concerned with improving the quality of life for all people groups.
- 5. Pursue healthy lifestyles and take appropriate action to promote wellness within their families and throughout their communities.
- 6. Build a legacy for the next generation by nurturing those institutions (e.g., the home/family, the Church, the Christian college) which are critical to the establishment and maintenance of biblical values, including moral integrity, ethical principle, and human dignity.
- 7. Develop an awareness of the inter-connectedness of nations and peoples and seek out opportunities to promote peace, goodwill, and the enrichment of life within the global village.

RELIGIOUS AFFILIATION

Kentucky Christian University is a private university affiliated with a fellowship of independent congregations known as Churches of Christ and Christian Churches. Because these independent

congregations claim no creed or statement of faith except for the Scriptures, and because no denominational headquarters establishes a doctrinal position for the University, the Board of Trustees has resolved that the University will abide by only a brief and general statement based on those teachings of Scripture which are clearly taught and universally embraced by these independent congregations. These teachings include:

THAT GOD is not only the omnipotent, omniscient and omnipresent Creator of the universe, but also the loving Father, Provider of all life, and righteous Judge.

THAT THE BIBLE is God's divinely inspired revelation to man. These Holy Scriptures are not to be added to, nor subtracted from, by anyone.

THAT JESUS is the Christ, the Son of God, who came to earth in the fullness of time, as Savior and as Messiah. This same Jesus is recognized as the only begotten Son of God, born of the virgin Mary, crucified on the cross after a sinless life on earth, raised bodily as Lord from the tomb, ascended into heaven as King of Kings, and is coming again to reclaim those who are His own.

THAT THE CHURCH is the divine institution by which God has provided for the preaching of the Gospel and the salvation of the world. This Church, the Body of Christ, has divinely given ordinances, which are Christian baptism, the immersion of the penitent believer for the remission of sins, and the gift of the Holy Spirit; and the Lord's Supper, observed weekly in the remembrance of Him.

THAT THE UNITY of all followers of Christ can be realized on the basis of a return to the primitive pattern for Church doctrine—in practice, in polity, and in life—as seen in the New Testament.

The founders of the University, as well as the current Board of Trustees and administrative leadership, were and are keenly aware of the many issues, which have divided and continue to divide Christian Churches. As a university, we believe it is ill advised to contribute to division and disunity by aligning ourselves, on the basis of opinion, with any party or sect. Rather, in the spirit of the first century Church and many early Christian reformers, we choose to be non-sectarian.

It is required that full-time faculty members adhere to these teachings and principles and seek to inculcate them into the lives of their students. Furthermore, each student is expected to attain the goals of Christian character and conduct which are implied in these teachings. To this end, Kentucky Christian University requires that every candidate for the Baccalaureate degree complete at least thirty semester hours in biblical studies.

HERITAGE

Kentucky Christian University was established in Grayson, Kentucky, on December 1, 1919, as "Christian Normal Institute." The co-founders were J. W. Lusby, an outstanding educator, Church leader, teacher, and journalist of eastern Kentucky; and J. O. Snodgrass, a minister of the Gospel from Iowa. Associated with them was R. B. Neal, an evangelist of eastern Kentucky.

In her earlier days, Christian Normal Institute included both high school and junior college programs, as well as emphasizing the preparation of public school teachers, as indicated in the word "Normal." This area of education was phased out during the early 1920's, at which time the education of young people for Christian ministries became the central purpose. The name was changed to "Kentucky Christian College" in 1944.

In September 2004, the institution changed its name from Kentucky Christian College to "Kentucky Christian University." This name change represented a profound rebirth for the 85-year-old institution. The move to university status brought with it a new seal, a new website, new signs, and many other surface changes. However, these changes are only significant because they represent the many new and exciting opportunities the University has to advance the Lord's Kingdom through educational ministry. While the school's name has changed, Kentucky

Christian University remains unwaveringly committed to its mission of educating students for Christian leadership and service throughout the world.

Through the years, under the leadership of Dr. J. W. Lusby (1919-1937), and his successors in the presidency, Dr. J. Lowell Lusby (1937-1977), Dr. L. Palmer Young (1977-1987), Dr. Keith P. Keeran (1987-2009), and Dr. Jeffrey K. Metcalf (2009-Present), Kentucky Christian University has educated some of the most outstanding Christian leaders, both in the church and in other professions throughout the world.

Kentucky Christian University remains committed to providing a strong biblical foundation for each of her students. This foundation, then, becomes a source of beliefs, which will influence the way students conduct themselves within a chosen vocation. The belief that a Bible core and vocational preparation should coexist is distinctive at Kentucky Christian University. Her fifth president, Dr. Jeffrey Metcalf, is committed to the task of seeing that this purpose remains central as the University's programs expand to prepare Christian workers in several carefully chosen fields.

CAMPUS AND FACILITIES

Kentucky Christian University is located in Grayson, Kentucky, the county seat of Carter County, in the Appalachian foothills of lovely eastern Kentucky. The campus is at the northern boundary of Grayson, just off Interstate 64, which links the Bluegrass area of Kentucky with the industrial heart of West Virginia. Our beautiful 121-acre campus is located less than 20 miles from three state parks, each offering camping, hiking, and lake access. Ashland, Kentucky and Huntington, West Virginia—both industrial and business centers—are approximately a 30-minute drive from the Grayson campus.

The academic facilities include the multipurpose Lusby Center, the Wayne B. Smith Center for Christian Leadership, the Nash Chapel and Fine Arts Center, and the Yancey School of Nursing Buildings. The Ruth Administration Building houses most administrative offices. The James C. McKenzie Student Life Center opened in December of 1996.

Another academic facility is Young Library. It offers a variety of study areas, resources, and materials for research and learning. Young Library contains approximately 100,000 books and 200 print periodicals on its shelves. Additionally, the library has electronic access to over 100,000 electronic books and over 15,000 electronic journal titles. This provides access of library resources to students 24 hours a day.

The mission of Young Library is to support the curriculum of the university, to help users gain access to information in a variety of forms, to assess the information needs of its users, and to encourage the development of information literacy in support of life-long learning skills. In order to fulfill this mission, Young Library remains open 72.5 hours each week. The library staff maintains a web page to provide resource access and tutorial information 24 hours a day. The web page is also used in meeting the research needs of distance learners.

In order to provide an extension of access to resources via Inter-Library Loan, Young Library is a participant in the Kentucky Library Network and the federation of Kentucky Academic Libraries, the Christian Library Network, the Bowen Central Library of Appalachia, the Kentucky Virtual Library, and LYRASIS – an Interlibrary Loan source for the entire Southeast. In addition, the Library derives benefit from alliances with the Association of Independent Kentucky Colleges and Universities, the Appalachian College Association, and the Council for Christian Colleges and Universities.

Single students are housed in one of several well-equipped air-conditioned dormitories: Jones, Dorcas, Dale, Waters, East, or West Hall.

Housing for married students and nontraditional single students is provided in one, two, and three bedroom apartments located on University property. Laundry services and fenced in playground are provided to make the living quarters convenient and supportive of the married students' special needs.

Campus facilities also include recreational areas such as the McKenzie Student Life Center and the Lusby Center gymnasium.

ACCREDITATION AND RECOGNITION

Kentucky Christian University is incorporated as a non-profit educational institution by the Commonwealth of Kentucky.

Kentucky Christian University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award baccalaureate and master's degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097: Telephone number: 404-679-4500 for questions about the accreditation of Kentucky Christian University.

The Baccalaureate Social Work Program at Kentucky Christian University is accredited by the **Council on Social Work Education** (CSWE).

The Kentucky Christian University Yancey School of Nursing Baccalaureate program is accredited by the **Commission on Collegiate Nursing Education** (CCNE).

The unit (Department of Teacher Education) for professional education at Kentucky Christian University is accredited by the **Kentucky Education Professional Standards Board** and the unit offers teacher preparation programs which are approved by the **Kentucky Education Professional Standards Board**.

Kentucky Christian University holds membership in the **Association of Independent Kentucky Colleges and Universities** (AIKCU).

Kentucky Christian University holds membership in the **Appalachian College Association** (ACA).

Kentucky Christian University is recognized as a member of the Council on Higher Education Accreditation.

Kentucky Christian University is a member of the **Council for Christian Colleges and Universities** (CCCU), a Washington, D. C. based association of colleges and universities rooted in the arts and sciences. CCCU is North America's primary organization devoted specifically to serving and strengthening Christ-centered institutions. The Council's main functions are to promote cooperation and interaction among colleges; provide opportunities for personal and professional growth for administrators, faculty and students; monitor government and legal issues; and promote these institutions to the public. For information concerning additional education opportunities available through CCCU, contact the Office of Academic Affairs.

ALUMNI ASSOCIATION

Membership in the Alumni Association of Kentucky Christian University is granted to all graduates and former students (minimum of 24 credit hours), and to members of the University faculty, administration, and Board of Trustees.

The purpose of the Alumni Association is to promote the cause of Christ through a closer fellowship among the alumni of Kentucky Christian University; to provide a means through which an alumnus may share with other alumni in activities for the benefit of the university; and to make a continuing witness to the entire world for the cause of Christ.

Programs and activities of the Alumni Association are directed through the Director of Alumni Services.

STUDENT SERVICES

Dean of Student Services

MISSION STATEMENT

The Student Services staff's goal is to create and maintain a living and learning environment that will enhance the potential for students' spiritual, social, emotional, physical, and intellectual development as they become leaders and servants in the church and in professions throughout the world.

Universities are more than faculty and staff, buildings, and facilities. Universities are not universities without students. Kentucky Christian University values every student.

Students from many states in the U.S. as well as several other nations make up the KCU student body. Invariably, these students have been leaders in their home congregations and on our campus they join others with similar talents to become more effective leaders for the Lord. Here they live, learn, work, witness, pray, and play together. They are students who learn, grow, and mature in Christ under the guidance of consecrated faculty and staff.

STUDENT ORGANIZATIONS

A variety of campus organizations exist to address students' spiritual, social, and professional development. Global Mission Awareness is made up of students and faculty who are interested in emphasizing the Great Commission: "Go into all the world and preach the Gospel to all creation" (Mark 16:15). Kentucky Christian University's longstanding commitment to world mission is highlighted each academic year through two weeks of mission emphasis. During the Fall semester, the annual Missions Emphasis Program is initiated during chapel services. Members of the KCU community are challenged to make financial commitments in support of world mission. Throughout the year, offerings are collected in chapel, and currently these offerings support work in ministries around the world. Since KCU's first Missions Emphasis Program in 1964, over \$500,000 has been invested in world mission through these offerings. At the beginning of each spring semester, a Lectureship in World Mission is held. A visiting mission scholar/practitioner leads the university community in broadening and deepening its involvement in world mission.

The Student Council consists of elected campus representatives. They endeavor to improve campus communication by presenting the needs and wants of students to the appropriate university personnel.

Several of the professional programs on campus are associated with student organizations that provide opportunities for professional development. These organizations include Pi Chi Delta (for Teacher Education students), Collegiate Music Educators National Conference (for Music Education), the Herodotus Society (History), Students in Free Enterprise (Business), Kappa Psi Sigma (Counseling Psychology), and Laos Protos (Social Work). These student groups plan special campus events and service projects in community settings throughout the school year.

Special interest organizations, such as Rotaract, Revelation (multicultural issues), and J.O.I. (Joining Others with Impairments) are formed as interests arise. Any organization forming on campus must gain approval from the Student Council and the Dean of Student Services before it is officially recognized.

STUDENT ACTIVITIES

Intercollegiate Athletics. Kentucky Christian University engages in men's and women's basketball, women's volleyball, men's and women's soccer, men's and women's cross country, and men's football on an intercollegiate basis. Only football offers athletic scholarships. Football competes in the NAIA Mid-South Conference. All other sports compete within the National Christian College Athletic Association.

Intramural Program. The University sponsors an Intramural Program to allow students participation in the sports of their choice. Intramural competitions include various sports, such as volleyball, basketball, softball, and flag football.

Drama. Kentucky Christian University students typically present a play during the spring semester. Whether it is a comedy, drama, or a musical, it involves many students, faculty, and staff.

Music. Musical groups at Kentucky Christian University include the concert choir, chorale, and vocal and instrumental ensembles, which are active during the academic year in presenting programs both on and off campus. Regularly scheduled recitals and musical dramas are given by music faculty and students.

Special Activities. Various campus activities are presented under the supervision of the Dean of Student Services, Campus Minister, and the Director of Student Activities. These programs often include concerts and events, which encourage visits by parents, friends, and potential students.

SPIRITUAL DEVELOPMENT

The **devotional and worship needs** of students are recognized on the campus with several activities: devotions for men and women in the dormitories, a weekly campus worship service on Wednesday evening, chapel services two days each week, and a prayer room for private devotions. In addition to the regularly scheduled services, special events like the Senior Week of Inspiration, Faith Promise, and Disabilities Awareness are held to provide emphasis on special topics of spiritual concern.

A strong **discipleship program** has been developed on campus. These "Life Groups" allow students to meet with other students and/or university personnel in small groups to develop specific areas of Christian life. Although participation is voluntary, a large portion of the campus community engages in this program.

Christian service is considered a vital part of developing spiritual maturity. Christian service is required of all students as both an academic function and a means to educate students for Christian leadership, service in the Church, and in professions throughout the world. The mission of KCU's Christian Service Program is to provide students with not *just practice* for future ministry, *but also actual service* for Christ to be done to the glory of God while meeting human needs. In so doing, the truth learned in the classroom will be shared with a lost and dying world.

Completion of **The Marriage and Family Enrichment Program** is a graduation requirement for all students attending Kentucky Christian University. This program is held during the spring semester, and includes a guest lecturer, who will speak in campus worship services. Additional workshops will be conducted by Kentucky Christian University faculty and staff to help promote the formation and continuation of healthy relationships, marriages, and families. The Marriage and Family Enrichment Program is recommended to be taken during the student's sophomore year (those whose transcript reflects the completion of between 30 and 59 credit hours). Students may opt to take the "Marriage and Family" class taught as part of the Counseling Psychology curriculum to replace the Marriage and Family Enrichment Program.

EXPECTATIONS OF STUDENTS

The guiding principles by which campus regulations are established are based first upon God's Word, and then upon the expectations of social law, constituents, and the community.

The University seeks to provide a campus where students may give themselves to academic pursuits and, at the same time, develop a Christ-like character. This can best be accomplished when all students feel a sincere responsibility for the welfare of each other and for the University community as a whole. Certain standards of university conduct are outlined in the *Student Handbook*. This handbook is distributed to students at the beginning of every academic year and is located on the KCU website, www.kcu.edu.

The use of drugs, tobacco products, and alcoholic beverages are strictly prohibited both on and off campus. Violations involving these substances may result in immediate suspension or expulsion from the University.

Students and faculty are expected to dress and act as Christians rather than following the extremes of current cultural trends. Students who persistently disregard the standards of conduct as outlined in the *Student Handbook* may be asked to withdraw from the school.

FINANCIAL INFORMATION

Jennie Bender Phone: (606) 474-3226 Director of Financial Aid E-mail: jbender@kcu.edu

MISSION STATEMENT

The mission of the Business Office and Financial Aid is to honor God by providing administrative and financial services to each of the University's strategic operating units in order to enhance the education of students who are preparing for Christian leadership and service in the church and in professions throughout the world.

Kentucky Christian University is supported financially through the giving of Christian people who contribute through congregations (by way of the Church budget, missions or faith-promise budget, Bible School budget and classes, or other congregational organizations) and individual gifts. These contributions, sent directly to the University, supplement the payments, which are made by students for tuition, room, and board.

Regular Contributions. Congregations and individuals provide a large portion of the funds necessary for general operating expenses. "Living endowments," amounting to nearly \$5,000 annually, are needed for each student enrolled in order to meet the student subsidies provided by the University, in addition to meeting the general fund needs for operational expenditures. The University does not receive direct support from local, state, or federal government and must rely upon those who love the Lord for this provision.

Wills and Bequests. Wills, making provision for Kentucky Christian University either through general or specific bequests, provide for new buildings or other needed campus facilities. Donors also remember the University with scholarship funds.

STUDENT OBLIGATIONS

All financial arrangements concerning tuition, room and board, and other fees are explained in the University's published fee schedule. Official transcripts of the student's grades and transfer of credits to other schools will not be furnished until all debt to KCU is paid in full. All accounts of graduating seniors must be paid in full prior to the time of graduation. No one will be permitted to receive a diploma until all bills have been paid. Absence of personal financial responsibility may result in a student's application for readmission to the University being denied. In the event of a default on the payment schedule agreed upon with the University at the beginning of a semester, students may be suspended from classes and not allowed to live in school housing. In addition, students in default may be required to leave school.

WITHDRAWAL PROCEDURES AND REFUNDS TO STUDENTS

Withdrawing from the University. Every student who completes the enrollment process is indebted for the total semester's tuition and fees. However, those students who withdraw from the University during the semester may receive a refund depending on the date of the withdrawal.

To withdraw officially a student must begin the process at the Registrar's office and complete an official withdrawal form. The withdrawal date will be:

- 1). the verifiable date the student began the withdrawal process, OR
- 2), the date the student provided official notification of the intent to withdraw, OR
- for the student who does not begin the school's withdrawal process or notify the school of intent to withdraw, the midpoint of the enrollment period for which aid was disbursed (unless a later date of academic activity can be documented).

The withdrawal date will be used to determine the amount of the refund. Refunds for students who are asked to withdraw will be completed using the same refund formula as students who withdraw voluntarily.

Unofficial withdrawal from all classes will result in refund calculations based on the midpoint of the semester or the determination of a latter date by documenting the

student's last date of academic activity.

Refund of Institutional Charges. Institutional charges include tuition, class-related fees, and room and board. Any other charges posted to a student's account are non-refundable.

Examples of Refunds/Repayments. Examples of refund and repayment worksheets are available in the Business Office.

Refund Schedule

Withdrawals to the end of	Tuition	Room	Board
First week of the semester	90%	90%	90%
Second week	80%	80%	80%
Third week	60%	60%	60%
Fourth week	40%	40%	40%
Fifth week	20%	20%	20%
Sixth week to end of semester	0%	0%	0%

Return of Financial Aid Funds. This policy refers to the return of Federal and State Aid Funds disbursed for students who completely withdraw or are dismissed from the University during the first 60% of the semester, and institutional funds for students who withdraw during the first five weeks of the semester.

The University has access to the Web site provided by the U.S. Department of Education to determine the return of Title IV Funds. During the first 60% of the semester, a student "earns" Title IV Funds in direct proportion to the length of time he/she remains enrolled. A student who remains enrolled beyond the 60% point earns all aid for the semester.

In the event there are Title IV Funds to be returned to the Federal Programs, the following schedule will be followed:

- 1. Unsubsidized Direct Stafford Loan
- 2. Subsidized Direct Stafford Loan
- 3. Federal Perkins Loan
- 4. Direct PLUS Loan
- 5. Federal Pell Grant
- 6. Federal Supplemental Educational Opportunity Grant

FINANCIAL AID PROGRAMS

Kentucky Christian University has financial aid available for students who could not otherwise fund their education. The University admissions process provides an opportunity for all applicants to indicate whether or not such need exists.

All students needing financial assistance must complete a Free Application for Federal Student Aid (FAFSA). The FAFSA can be accessed and completed online at www.fafsa.gov. Applicants who are dependent on parents for support must have their parents complete the parental income portion of this form. Independent students need to furnish only their own income information. To be recognized as independent, an applicant must meet the criteria as outlined in the FAFSA. Any questions regarding financial aid should be referred to the KCU Financial Aid Director.

Depending on the level of need as determined by the U.S. Department of Education standards, there may be several aid programs available to meet the needs of the student.

FEDERAL PELL GRANT. The U.S. Department of Education uses a standardized formula to determine an applicant's eligibility and level of award for this grant. The program provides financial assistance of up to \$5,550 per year for undergraduate students.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (SEOG). Kentucky Christian University makes these grants available to students who demonstrate exceptional

financial need. Recipients must receive the Federal Pell Grant to be considered for this grant.

STATE GRANT PROGRAMS. Three state-sponsored grants are potentially available for Kentucky Christian University students who are residents of Kentucky. The Kentucky Tuition Grant (KTG) is for full-time students enrolled in private colleges. It presently awards a maximum of \$2,964 per year. The College Access Program (CAP) is awarded to financially needy students enrolled for a minimum of three semester hours. It currently awards \$1,900 per year to full-time students and \$79 per semester hour to part-time students. The Kentucky Higher Education Assistance Authority awards all funds using the criteria of financial need until funds are depleted. The Kentucky Educational Excellence Scholarship (KEES) is a program that rewards Kentucky students for working hard and making good grades in High School. If you make a C+ average or better you will qualify. Bonus funds are awarded to students who score a 15 or better on the ACT and supplemental funds for earning a qualifying score on Advanced Placement (AP).

FEDERAL PERKINS STUDENT LOANS. This program offers loans up to \$5,500 per academic year. Repayment periods and interest do not begin until nine months after the student has ended his studies. The loan bears interest at the rate of 5% a year, with a minimum payment of \$40 monthly.

DIRECT STUDENT LOAN PROGRAM. This program enables students to borrow loans from the U.S. Department of Education. Direct Subsidized Loans have a fixed interest rate, are currently 6.0%, Unsubsidized Loans have a current rate of 6.8%, and will be adjusted on July 1st. A student may borrow \$3,500 as a freshman, \$4,500 as a sophomore, and \$5,500 as a junior and/or senior. Each student is eligible to borrow an additional \$2,000 in Unsubsidized Loans. Loan repayment begins six months after the student graduates, leaves school, or drops below half-time status. Students may qualify for a "subsidized" loan (interest paid while in school) based on financial need, or an "unsubsidized" loan (student responsible for interest while in school) nonneed based, or a combination of both loans.

FEDERAL COLLEGE WORK-STUDY PROGRAMS. Students who need employment to help pay for college expenses are eligible to apply for such employment through Kentucky Christian University. On-campus jobs include work in the cafeteria, library, maintenance, student life center, and offices. To work under this program a student must be enrolled and in good standing or be accepted for enrollment as at least a half-time student and show financial need.

KENTUCKY CHRISTIAN UNIVERSITY CAMPUS EMPLOYMENT. To supplement university expenses Kentucky Christian University offers a limited number of institutionally–funded jobs to students.

DIRECT PLUS LOAN PROGRAM. This loan program is available to parents of dependent students. It is a fixed interest loan with a current interest rate of 7.9% which will be adjusted on July 1. It is not need based. An application can be completed at www.studentloans.gov and then complete the request form on the KCU website. The PLUS loan program enables parents to borrow an amount equal to the cost of education minus financial aid.

SATISFACTORY ACADEMIC PROGRESS (SAP)

The Higher Education Act mandated institutions of higher education to establish minimum standards of "satisfactory academic progress" for students receiving financial assistance. This means that a student must make progress toward obtaining an appropriate degree during each term that the student is enrolled. These standards are applicable to all federal, state, and institutional aid programs administered by Kentucky Christian University.

At Kentucky Christian University, in order to continue to receive financial aid, a student must demonstrate satisfactory academic progress by completing a minimum number of the total hours attempted, and by also maintaining a minimum grade point average. KCU's satisfactory academic progress policy is as follows:

Undergraduates

Fulltime students will be considered to be making satisfactory academic progress for financial aid purposes as long as the following requirements are met:

- 1. A student must successfully complete a minimum of 24 credit hours during each year of enrollment. Successful completion for this purpose is defined as receiving a grade of "D" or better.
- 2. If one year has been completed; a student must have at least a 1.85 cumulative GPA.
 - If two years through six years have been completed; a student must have at least a 2.00 cumulative GPA.
- 3. A student has attempted no more than 150% of the time required or a maximum of six years for their current academic program.

Three quarter time will be considered to be making satisfactory academic progress for financial aid purposes as long as the following requirements are met:

- A student must successfully complete a minimum of 18 credit hours during each year of enrollment. Successful completion for this purpose is defined as receiving a grade of "D" or better.
- 2. If one to two years have been completed; a student must have at least a 1.85 cumulative GPA.
 - If three years through nine years have been completed; a student must have at least a 2.00 cumulative GPA.
- 3. A student has attempted no more than 150% of the time required or a maximum of nine years for their current academic program.

Part time will be considered to be making satisfactory academic progress for financial aid purposes as long as the following requirements are met:

- A student must successfully complete a minimum of 11 credit hours during each year of enrollment. Successful completion for this purpose is defined as receiving a grade of "D" or better.
- 2. If one to two years have been completed; a student must have at least a 1.85 cumulative GPA. If three years through twelve years have been completed; a student must have at least a 2.00 cumulative GPA.
- 3. A student has attempted no more than 150% of the time required or a maximum of twelve years for their current academic program.

Policies and Procedures

The specific policies and procedures to be used in applying the satisfactory progress standards are outlined below.

- 1. Satisfactory progress will be evaluated at the end of each Spring Semester.
- Hours attempted for purposes of this policy will be defined as those for which a student receives a grade of A, B, C, D, F, I, IP, P, R, S, U, NC, NG, WP, WF, or BR. Transfer hours accepted will be considered in calculating the total number of hours attempted.

- 3. For undergraduate students, grades of F, I, IP, R, U, NC, NG, WP, WF, or BR will not qualify as successful completion of hours attempted.
- 4. Cumulative GPA will be calculated based on the attempted and completed policies above.
- 5. Remedial courses, courses taken for audit, and courses in which grades of NC, NG, P, S, U, WP, WF, or BR are received are not figured in the calculation of a student's grade point average.
- 6. If otherwise eligible, students will be awarded financial aid during a term in which they may be repeating a course.
- 7. A student who failed to maintain satisfactory progress as defined will not be permitted to receive federal, state, or institutional financial aid.

Procedures For Appeal For Students Who Fail To Maintain Satisfactory Progress Standards

Students who fail to meet satisfactory progress standards as defined may appeal the ruling to the Office of Financial Aid if they believe extenuating circumstances led to their failure to maintain satisfactory progress. Those desiring to appeal must do so in writing and must explain why they failed to make SAP and what has changed to allow the student to demonstrate SAP as well as attach a copy of their complete unofficial transcript. Students will be notified, in writing, of the action taken on their appeal. If the student's appeal is approved they will be considered to be on Financial Aid probation with their eligibility being reinstated for one semester.

Reinstatement of Financial Aid Eligibility

Should a student's financial aid eligibility be terminated for failure to maintain satisfactory progress as defined, the eligibility for financial aid will not be reinstated until the student enrolls for a subsequent academic term (fall, spring, or summer term) at his or her own expense and completes the term satisfying the satisfactory progress definition. The student should then file an appeal with the Office of Financial Aid, explaining that they have completed a subsequent term at their own expense.

Financial aid eligibility will be reinstated immediately for all students whose appeals are approved.

SCHOLARSHIPS

A growing number of named and memorial scholarships have been or are being established at Kentucky Christian University by individuals, families, churches, and other organizations. For the most part, these gifts are invested, and awards from the earned interest are granted to students to assist with financial needs. Most awards are made during the spring semester and apply to the upcoming year.

Scholarships are available for students transferring into KCU. Transfer students should contact their Enrollment Counselor to receive additional information on qualifying for the Transfer Student awards.

Special Scholarships

ALUMNI SCHOLARSHIP. Presented and funded by the KCU Alumni Association to children of Alumni attending Kentucky Christian University.

BOWERS BUSINESS SCHOLARSHIP. In honor of Mr. & Mrs. Quentin E. Bowers, Mr. David E. Bowers funds a scholarship based on established criteria. The scholarship is awarded to a business major entering their junior or senior year of study.

OTHER SCHOLARSHIPS

In addition to the scholarships listed above, the University actively seeks to acquire funding from foundations and private sources. Examples of special funding which may be available to the university students include:

ALEXANDER CHRISTIAN FOUNDATION. Various scholarships given to Florida, Illinois, and Indiana residents.

JOHN T. AND ADA M. DIEDERICH EDUCATIONAL GRANT. High school graduates from Boyd, Greenup, Carter, Lawrence, or Martin County, Kentucky may apply.

KYOWVA PULPIT MINISTER TRAINING SCHOLARSHIPS. Junior or senior male students preparing for pulpit ministries may apply for these scholarships.

- **E. O. ROBINSON MOUNTAIN FUND.** Graduates from high schools in 30 eastern Kentucky counties with financial need may apply for these limited grants of up to \$1,000.
- **S.C.E.C. SCHOLARSHIP FUND.** Financial assistance is provided for needy students from within the group of churches formerly associated with the administration of Southeastern Christian College, Winchester, Kentucky.

EDGAL PAUL AND GARNETT THOMPSON FOUNDATION. This charitable foundation was established with the intent of providing assistance to young people from Boyd, Lawrence, or Carter Counties desiring an education in a Christian environment.

KCU ACADEMIC SCHOLARSHIPS

Kentucky Christian University makes every effort to assist in making your education affordable. KCU offers financial aid both to students with demonstrated need (as determined by the FAFSA) and to students without such need who have shown academic accomplishment and leadership ability.

TRADITIONAL STUDENTS - J. LOWELL LUSBY SCHOLARSHIPS

Students with exceptional academic qualifications (3.75 gpa and 28 ACT/1860 SAT), Christian leadership potential and extra curricular involvement are eligible to qualify for our prestigious J. Lowell Lusby Scholarship program.

- **THE J. LOWELL LUSBY EXCELLENCE SCHOLARSHIP** will be awarded to the top 3 candidates. This award is \$15,000* and is renewable, contingent upon a 3.0 cumulative grade point average.
- **THE J. LOWELL LUSBY PRESIDENTIAL SCHOLARSHIP** will be awarded to 3 candidates. This award is \$10,000* and is renewable, contingent upon a 3.0 cumulative grade point average.
- **THE J. LOWELL LUSBY HONORS SCHOLARSHIP** will be awarded to 4 candidates. This award is \$7,500* and is renewable, contingent upon a 3.0 cumulative grade point average.

Applications are due by December 1 in order to be considered for the J. Lowell Lusby Scholarship program. Completion of the KCU Application for Admission and Scholarship, completed references, transcript through the junior year of high school and an ACT or SAT are required for consideration.

*Please note: All J. Lowell Lusby scholarships are reduced for commuter status (75% of resident value).

ADDITIONAL SCHOLARSHIPS

THE GREAT COMMISSION AWARD will be given to students with at least a 3.0 GPA and 23 ACT/1590 SAT who have demonstrated outstanding Christian Service as documented by the Student Essay and personal references you choose to complete your Reference forms. This award is \$6,500 and is renewable by remaining in academic good standing with the institution.

THE SERVANT LEADER AWARD will be awarded to top qualifying students based upon community service. This will be based upon the Student Essay and completed Reference forms submitted with your Application for Admission and Scholarship. The Servant Leader Award is for \$5,000 and is renewable by remaining in academic good standing with the institution.

These awards are limited and will be awarded beginning December 1. Students who are not eligible for the above scholarships and awards may also be considered for the following if they meet catalog requirements.

KCU PARTNERSHIP awards are for students with a 2.5 GPA and a 20 ACT/1410 SAT. The Partnership award is \$3,500.

KCU CHALLENGE awards are for students with a 2.0 GPA and a 17 ACT/1210 SAT. The Challenge award is \$1,000.

The Partnership and Challenge awards are meant to encourage students to accept the academic challenge of college level work and demonstrate the commitment of Kentucky Christian University to all students who desire to receive a quality Christian education.

COVENANT CHURCH SCHOLARSHIPS are awarded to members of Covenant Churches (churches that provide financial support to KCU in the amount of \$2,400 or greater per year and have a history of giving to KCU for at least 12 months) and are eligible for a \$2,000 per year Covenant Church Program scholarship. The Covenant Church Program scholarship is in addition to any other scholarships or other forms of student aid (all KCU Scholarships combined cannot exceed the cost of tuition). For information about the Covenant Church Program, including church eligibility, please contact the Director of Church Relations at 606-474-3298.

BIBLE BOWL SCHOLARSHIPS

Kentucky Christian University has agreements with the National Bible Bowl program and will grant \$2,000 scholarships to the members of the first place team, \$1,500 scholarships to the second place team, and \$1,000 scholarships to the third and fourth place teams. These amounts are annual and this is a renewable scholarship over four years.

A scholarship of \$2,000 will be awarded to the first place winner in the merit exam and a \$1,500 award will go to the second place exam winner, and \$1,000 scholarship to the third and fourth place winners.

The University also has agreements with several state teen conventions holding Bible Bowl contests. Awards at this level are first place, \$1,000; second place, \$750; first place merit exam, \$1,000; and second place, \$750.

Kentucky Christian University offers scholarships for their Bible Bowl Tournaments held in February and June. The amounts of awards, which are to be applied toward KCU tuition, are:

First place team winners	\$ 1,500	First place exam winners	\$ 1,000
Second place team winners	\$ 1,000	Second place exam winners	\$ 750
Third place team winners	\$ 750	Third place exam winners	\$ 500
Fourth place team winners	\$ 500	Fourth place exam winners	\$ 250
Fifth place team winners	\$ 400	Fifth place exam winners	\$ 100
Sixth place team winners	\$ 300	·	
Seventh place team winners	\$ 200		
Eighth place team winners	\$ 100		

PREACHING/SPEECH AND VOCAL SCHOLARSHIPS

The University cooperates with several organizations sponsoring preaching, speech, and vocal contests. Included are the North American Christian Convention, state teen conventions, and others. Scholarship awards in this area are \$2,000 for first place, \$1,500 for second, and \$750 for third.

Awards from Bible Bowl, Preaching/Speech or Vocal Scholarships are designated to be used during the first year following high school graduation. General scholarship guidelines will apply and may be combined not to exceed the cost of tuition.

KCU GRADUATE STUDENT TUITION WAIVER

The KCU Graduate Student Tuition Waiver is a 80%-tuition waiver intended for Kentucky Christian University students who wish to pursue graduate studies in the Master of Arts in Christian Leadership or Master of Arts in Biblical Studies programs at KCU.* First-time students at Kentucky Christian University may receive the graduate scholarship providing they fit the following profile:

- 1. Students must enroll as first-time freshmen at KCU and complete their entire four-year baccalaureate degree at KCU with a minimum GPA of 3.0.
- 2. Students in any undergraduate major are eligible for this program.
- 3. Students must begin the MACL or MABS program within five months of completion of their undergraduate program.
- 4. Students must complete a minimum of 12 credit hours per calendar year and maintain a minimum GPA of 3.0 Note: students are responsible for ensuring that obligations related to financial aid are being met (i.e., that their graduate enrollment status is satisfactory for lenders to defer student loan payments).

Qualified transfer students are eligible for the following discounts. All transfer students must meet the same GPA and enrollment requirements stated above.

- Students transferring in as freshmen (0-29 hours) will receive a 65% discount.
- 2. Students transferring in as sophomores (30-59 hours) will receive a 55% discount.
- 3. Students transferring in as juniors (60-89 hours) will receive a 30% discount.
- 4. Students transferring in as seniors (90 or more hours) will receive a 15% discount.

Indication of intent to enroll in the program during undergraduate studies is the only criteria considered in awarding the scholarship.

Students who receive the Bagby or Graduate Tuition Scholarship will be responsible for full tuition in the event that they fail to satisfactorily complete any course covered by the scholarship and re-take the class. For instance, students who Withdraw Failing, Withdraw Passing, or fail to attain an acceptable grade in a course, will not be allowed to re-enroll in the course and receive scholarship funding.

ADMISSIONS POLICY

First-Time Freshmen Admission Policy

A high school diploma, which is state recognized or from a school which has requested and has been granted formal approval, or the high school equivalency certificate issued by the respective State Department of Education, is required for admission to Kentucky Christian University. A GPA of 2.0 on a 4.0 scale or graduating in the upper half of one's class or overall GED score of 2250 with no individual section below 410 is considered a minimum standard for acceptance.

Applicants must take the American College Test (ACT) or the Scholastic Aptitude Test (SAT) and have the scores forwarded to the Admissions Office. A composite score of 17 on the ACT* or a combined score of 1210 on the SAT* is considered to be indicative of probable academic success at Kentucky Christian University. (Please note that some majors on campus have different admission criteria which are listed in their respective portions of this catalog.) In some cases applicants may be accepted conditionally if their scores are below the minimum standard suggested.

Applicants must supply a minimum of two, but preferably three, references, none of which may be from relatives. One reference should be from a person familiar with the applicant's academic qualifications (such as a school teacher, guidance counselor, or principal). For those who have not been involved in an academic setting for 5 or more years, please replace with a peer or employer evaluation. A second reference should be from a person familiar with the applicant's spiritual maturity (such as a minister, elder, deacon, or Bible school teacher). If applicants are not affiliated with a local church, this reference should be from an individual who can attest to the applicant's personal character. A third reference should be from a person familiar with the applicant's personal and family background (such as an employer, neighbor, coach, or sponsor).

A statement of intent must be included in the application packet. All applicants must submit a short paragraph outlining their reasons for desiring to attend Kentucky Christian University, their goals in life, and how an education at KCU would help them to achieve those goals.

Applicants are considered when the following materials have been received:

- 1. The Application for Admission properly completed.
- A copy of the high school transcript; GED scores.
- Results of the ACT or SAT.
- 4. A non-refundable application fee.
- 5. Completed references.

Kentucky Christian University seeks students who are academically, physically, emotionally, and spiritually capable of succeeding in a Christian college environment. It is assumed that all students seeking admission to the University have already learned to conduct themselves in a Christ-like manner and will continue to conduct themselves as such with full respect to the principles set out in the Student Handbook. The best qualified among all applicants will be admitted. Meeting minimum academic standards does not assure admission.

^{*} Based on current test score standards

Students who do not meet the minimum academic admission standards may choose to apply via this special comprehensive application process, which may include the following:

- 1. Five references (2 additional to regular requirement).
 - Two from the applicant's church (1 from the minister or youth minister and 1 from an elder, Sunday school teacher or youth leader) or 2 from people who can speak to the applicant's personal character
 - One from an employer, if employed; 1 from an adult acquaintance if not employed
 - Two from school officials (principal, vice principal, counselor, teacher, coach)
- 2. A 500 word essay stating why the applicant wants to be a student at KCU.
- 3. Submit elementary school records (transcript) in addition to high school transcript.
- 4. A personal interview on campus or by phone with an interview committee made up of three members of the Enrollment Management Committee may be required.

In some cases, the Enrollment Management Committee may choose to waive the requirements due to extenuating circumstances. When conditionally accepted, students must maintain a 1.85 GPA during their first two semesters of study at KCU. Students who earn a GPA of less than 0.50 during their first semester of study will be suspended. Students earning a 0.50 – 1.84 GPA will be placed on Notice during their second semester and will be suspended if their cumulative GPA is lower than 1.85 at the end of the second semester. Conditionally accepted students may enroll in no more than 15 credit hours until a cumulative GPA of 2.0 is achieved. In addition, conditionally accepted students may be required to enroll in developmental classes (see Foundational Studies under the General Academic Information of the KCU Catalog) and may be required to participate in other foundational programs offered by the University.

Transfer Students Admission Policy

At Kentucky Christian University the Department of Enrollment Services strives to simplify the admissions process. To apply for admission as a transfer student, the applicant should have achieved at least a 2.0 cumulative grade point average on a 4.0 scale and be in good academic and social standing at the current or previous college of attendance.

Applicants are considered when the following materials have been received:

- 1. An Application for Admission properly completed.
- 2. Official transcripts from all colleges previously attended.
- Official high school transcripts (or official GED scores) and ACT/SAT, if either (or both) of the following apply:
 - the student is under 24 years of age;
 - the student has less than 30 transfer credit hours from previous college experience.
- 4. A non-refundable application fee of \$30.
- 5. Completed references.

Kentucky Christian University admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the University. It does not discriminate on the basis of race, color, national, and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs. Questions concerning grievances should be addressed to the President's Office.

TRANSFER STUDENTS

Transfer students are degree-seeking students entering Kentucky Christian University for the first time who have previously attended another post-secondary institution of the same level. Kentucky Christian University will accept credits for comparable coursework from other colleges and universities accredited by institutional and professional agencies recognized by the Council on Higher Education Accreditation. Only grades of "C" or higher will be accepted. All transfer students must have a minimum cumulative grade point average (GPA) of 2.0 and the most recent

full-time semester GPA of 1.85 on a 4.0 scale at the last institution attended in order to be admitted unconditionally. Students who fall below these requirements will be admitted on academic probation with the following stipulations:

- If the most recent semester GPA is 1.00-1.84, the student will be limited to 15 hours per semester for two semesters and must attain a GPA of 1.85 the first semester and 2.0 by the end of the second semester enrolled full time.
- If the most recent semester GPA is 0.50-0.99, the student will be limited to one semester of academic probation, limited to 15 hours, and must achieve a 2.0 GPA.
- Students who have received below 0.50 in the most recent semester will not be admitted unless documentation of extenuating circumstances is provided for consideration by the Enrollment Management Committee. If approved, the student will be limited to one semester of academic probation, limited to 12 hours and must achieve a 2.0 GPA.

These restrictions will not apply if a period of at least five years has passed since the student's last full-time enrollment. Official transcripts from all previous colleges attended are necessary for consideration. In the event that these minimum standards are not met, a personal interview may be required. Transfer students must meet the same qualifications for participation in extracurricular activities as continuing students.

Transferring Credits from Unaccredited Institutions

Kentucky Christian University may also admit students and allow some credit for studies from an institution not accredited by an agency recognized by the Council on Higher Education Accreditation (CHEA). In such instances, the following conditions apply:

- Coursework considered for transfer from unaccredited institutions, or accepted for credit, must demonstrate that it represents collegiate coursework relevant to the degree, with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in the University's own degree programs;
- 2. Students transferring from unaccredited institutions must provide transcripts, college catalogues, course syllabi, and verification of the academic qualifications of the teaching faculty;
- 3. Transfer students from unaccredited institutions must enroll at KCU for one semester for a minimum of 12 semester hours and earn at least a 2.0 or "C" overall grade point average before transfer credits will be applied.

After students have completed 12 hours at KCU with a minimum overall GPA of 2.0, students may at that time petition the Provost for consideration of transfer credits. Courses transferred from unaccredited institutions are not factored into the KCU grade point average. The University will use a "P," to indicate passing, for allowable transfer credit.

Students desiring to have transcript evaluations completed prior to enrollment should have transcripts from all prior colleges sent to: Office of Admissions, Kentucky Christian University, 100 Academic Parkway, Grayson, KY 41143-2205.

Transferring Credits from International Institutions

The Registrar at Kentucky Christian University will evaluate coursework from international institutions on a case-by-case basis. Transfer credit from international post-secondary/tertiary institutions may be accepted at KCU if the institution is recognized by the ministry of education, or other appropriate accrediting body, in the home country. All courses considered for transfer must be completed with a great of "C" or better and must be applicable to the student's KCU degree and comparable in quality and nature to KCU courses. Developmental/Remedial courses and English classes taken in counties where English is not the native language will not be considered for transfer. Evaluation of international transcripts will be completed once the student has been accepted to KCU and upon receipt of official transcripts from the institution (certified translations are required if transcripts are not in English).

OUT OF THE BLOCKS

Eligible high school second-semester juniors and seniors can earn college credit, awarded by Kentucky Christian University, while taking classes during their regular school day. Students will travel via school-provided transportation to the campus of Kentucky Christian University each afternoon Monday through Thursday and take two 3 credit-hour classes per semester. A total of 18 credit hours of college credit may be obtained through the **Out of the Blocks** program. Upon completion of each course, the student's grade and credit hours appear on an official Kentucky Christian University transcript.

In order to be eligible for the program the student must:

- Have a composite ACT score of at least 21 and a high school cumulative GPA of at least 3.25;
- Demonstrate respect for the values of KCU and abide by all KCU student conduct policies while on campus;
- Have access to transportation in the event that school provided transportation is unavailable (i.e., spring break, snow days, etc.).

HOME SCHOOL STUDENTS

Home School students are eligible to apply for admission at Kentucky Christian University. Students must meet their state requirements for home schooling. Regular admission procedures apply.

VETERANS

Kentucky Christian University is approved for the education of veterans. Individuals who desire to apply for entrance to the University follow the regular admission procedures. All information concerning the veteran application for educational benefits and credit for training should be addressed to the Registrar at kturpin@kcu.edu or (606) 474-3212.

INTERNATIONAL STUDENTS

The University is approved under Federal Law for the education of non-immigrant alien students. It is preferred that students from non-English speaking cultures submit a TOEFL score of 173 (computer based) or 500 (paper based) or 61 (internet based) or above. Other methods of proving language proficiency would include successful completion of two years of English study at the post-secondary level, the "A" Level English exam, or a standardized test score such as ACT or SAT (English version). In the absence of the above, students can be admitted and given an exam at the time of entrance to determine proficiency.

International students must show evidence that they have the funds to meet all financial requirements for the first year, and show that funds for subsequent years are reasonably attainable, or have a guarantor who will provide the funds. All payments that are the responsibility of the student, (through personal, family or sponsor funds) are due to Kentucky Christian University no later than two weeks before the start of the semester.

Acceptance criteria for international students are:

- 1. Completed International application for admission and application fee.
- 2. Proof of English proficiency (if available).
- 3. Financial certification showing proof of funds.
- 4. Transcripts of all previous work (English translation if necessary).

STUDENTS WITH DISABILITIES

Kentucky Christian University admits students without regard to disability status and affords equal opportunity to all students to participate in and benefit from all programs, services, and activities on the KCU campus. Services include providing reasonable, appropriate academic adjustments and assistance for students with disabilities as defined in Section 504 of the Rehabilitation Act of 1973 as amended; the Americans with Disabilities Act of 1990; and applicable state and federal laws and regulations.

Students desiring accommodation for a qualifying disability should contact the Coordinator of Student Counseling and be prepared to provide official documentation of the disability including professional recommendations or accommodation. Because of the qualifying review process and the time needed to implement certain types of accommodation, students needing accommodation should start the process shortly after admission to the University or immediately after a disability is diagnosed if after admission.

GENERAL ACADEMIC INFORMATION

MISSION STATEMENT

The mission of the Office of Academic Affairs is to create and maintain an academic community in which students are educated for Christian leadership and service in the church and professions throughout the world.

This academic community is Christian in character and mission (i.e., what it is and what it does). The Office of Academic Affairs fulfills this mission by overseeing, supporting, recording, and assessing the academic programs of the University.

CATALOG RECOGNITION

The University catalog serves as a **contract** between the University and students in determining minimum degree requirements. The catalog under which students are admitted to KCU will be honored unless:

- Accreditation standards or a governing agency adjusts the status of degree requirements retroactively.
- The catalog is more than six years old; in that case the current catalog will be honored.
- A student chooses to change his/her degree major or minor to one offered in the current catalog, but not offered in the one under which the student was admitted.
- Students choose to meet all the requirements of a newer catalog.

When students are accepted into a major, they must contact the Dean/department chairperson to declare the catalog under which they will complete the degree requirements. This contract cannot be revoked to revert to an older catalog. It is the responsibility of students to learn and follow the catalog requirements, policies, and procedures affecting their program.

However, the University reserves the right to change any of its rules and regulations at any time, including those relating to admission, instruction, and graduation. The University also reserves the right to withdraw curricula and specific courses, alter course content, change the calendar, and to impose or increase fees. All such changes are effective at such times as the proper authorities determine. Changes may apply not only to prospective students but also to those who are already enrolled in the University.

Transfer credits will be evaluated on a class-by-class basis.

ONLINE COURSE WORK

A limited palette of online courses is offered to undergraduate students of Kentucky Christian University. Online courses are intended to augment the traditionally-delivered coursework for KCU undergraduate students. Under no circumstance may a student graduate with more than 24% of undergraduate credit hours taken in an on-line format.

THE ACADEMIC CALENDAR

The University operates on a semester calendar with the first semester concluding before Christmas and the second semester concluding in the early part of May. The University may conduct selected modified instructional periods (i.e., J-Term, Maymester, Summer terms,

etc.) in addition to the two regular academic semesters. This summer session provides an opportunity for students to advance in their programs or make up deficiencies. This year's academic calendar can be found at the end of the catalog.

EDUCATIONAL RECORDS

The Family Educations Rights and Privacy Act of 1974 grants to students certain rights of access, review, challenge, and exception to their educational records. These rights are: 1) The right to inspect and review the student's education records after submitting a written request. Such requests should specify the records to be inspected and should be submitted to the University Registrar 30 days in advance. 2) The right to request a correction to education records which the student believes are inaccurate or misleading. Such requests should be submitted in writing to the Registrar and should identify which part of the record is inaccurate or misleading and provide documentation as to why it should be changed. 3) The right to have personally identifiable information contained in the student education record to be held as confidential and not subject to disclosure without the consent of the student (or in certain cases, the parent).

Exceptions to this non-disclosure right include provision for school officials to perform their functions and the ability of the school to disclose *directory information*. Kentucky Christian University designates the following student information as *directory information*: name, address, e-mail address, telephone number, previous institutions attended, major field of study, honors, degrees conferred, participation in recognized sports and activities, date and place of birth, height and weight of athletic team members, photographs, dates of attendance, and classifications. Students may withhold disclosure of this information by submitting written notification to the Registrar at registration. Forms to request the withholding of directory information are available from the Registrar. The University assumes that the absence of such request indicates student approval for disclosure.

FOUNDATIONAL STUDIES

The Foundational Studies Program of Kentucky Christian University exists to ensure that students entering the University have maximum opportunity for success. Students enrolling at KCU must have basic skills in writing, mathematics, and reading in order to adequately perform in college level courses. Students with academic deficiencies may be placed in foundational classes in English and mathematics. Students enrolled in some foundational classes (i.e. MAT 090 Foundation of Mathematics) receive institutional credit for this work. Although the credits do not apply toward graduation requirements, they do count toward enrollment status for such purposes as determining eligibility for housing and financial aid. Students who fail any developmental course twice will not be considered for readmission during the following academic year.

ACADEMIC ADVISING

While students are assigned to an academic advisor, it is important to note that all KCU students are responsible for compliance with the contents of the KCU catalog including graduation requirements, procedures, and regulations. Students typically follow the degree requirements in effect at the time of their first registration at the University, provided they attain a degree within six years. KCU reserves the right to amend, delete, or modify any requirements with notice. The advisor will consult closely with the students to assist them in matching their course work with their educational and vocational goals. Academic advisors assist students by explaining requirements and procedures, but the student is ultimately responsible for knowing and following the requirements, policies, and procedures governing their progress.

The following list outlines student responsibilities in the advising process. Students are expected to:

- 1. Read the University catalog and the Student Handbook and comply with all policies, procedures, and requirements.
- 2. Obtain a class schedule each semester and review possible course options prior to appointments with advisors.
- 3. Contact advisors in a timely fashion for pre-registration advising or other necessary appointments.
- 4. Obtain, complete (including obtaining required signatures), and submit all forms needed for registration, course changes, graduation, and related matters, according to the deadlines set by the Registrar's Office.
- 5. Contact advisors immediately with concerns about academic progress in particular classes or progress toward a degree.
- 6. Be actively responsible for their college experience.

COURSE REQUIREMENTS

Courses often have prerequisites, or other requirements, that must be met before a class can be taken. A prerequisite might take the form of a lower level course, an audition, a minimum ACT score, or the permission of the instructor teaching the course. The stated prerequisites must be completed before students can register for the class.

A course with no prerequisites indicates that no previous college level courses are required to take the class.

Students may at times supplement KCU course work with course work from another institution. If a student intends to use non-KCU course work to meet graduation requirements, the student must work closely with his/her academic advisor, along with the Registrar, to ensure that the plan is acceptable. Also, any student intending to use distance learning or other course work from another institution to meet a KCU graduation requirement must submit official transcripts from the other institution(s) to the Registrar by January 31 of the year in which the student plans to graduate. In other words: graduating students must complete all course work taken at another institution *prior* to their last semester at KCU.

COURSE NUMBERING

In most cases the first digit of a course number indicates the level of the content and gives an idea of the type and difficulty of the course.

001-099: Courses in the foundational studies sequence, which are not included among the total number of hours required for a degree.

100-199: Introductory courses which insure basic competencies, or teach the principles and methodology of a discipline.

200-299: Intermediate level courses which continue to develop a skill or give background or general experience to both majors and non-majors.

300-399: Advanced level courses demanding understanding of principles and methodology in an area of study or discipline.

400-499: Specialized courses intended primarily for majors and minors in the field.

GRADE SCALE

Kentucky Christian University follows the semester plan in its academic calendar and operates on the four point (4.0) grade system, with a requirement of 2.0 "C" average for graduation. Grades are symbols which indicate the degree of mastery of course objectives. Grades do not necessarily reflect the degree of effort put into learning material. The numerical value of quality points are as follows:

GRADE	QUALITY POINTS
Α	4.0
Α-	3.6
B+	3.4
В	3.0
B-	2.6
C+	2.4
С	2.0
C-	1.6
D+	1.4
D	1.0
D-	0.6
F	0.0

The following designations are also used:

WD Withdrew from school

WP Withdrew with a passing grade

WF Withdrew with a failing grade

IP In Progress
I Incomplete*
R Course retaken

P Passing S Satisfactory

NC Audit

BR Academic Bankruptcy

*If for some truly extenuating circumstance (e.g., serious illness, accident, death in the immediate family, etc.) students are unable to complete course work before the final day of class or are unable to take the final examination, students may petition instructors for a grade of "I" (Incomplete). An "I" should not be given as a midterm grade. Work designated as incomplete must be completed within six weeks from the close of the incomplete term. The "I" will be calculated with 0.0 quality points until instructors officially submit new grades. If work is not completed, the incomplete grade becomes "F."

No University-wide grading rubric is in place. Grade rubrics are defined by professors.

Grades will be available on the students' online Campus Anyware account as soon as they are posted by the professor.

AUDITED CLASS

Students may audit classes if they are interested in the course content but do not wish to receive credit for classes. Auditors are exempt from completing class assignments, taking examinations, and compulsory class attendance. Auditing of classes is permitted on an availability basis and must be approved through the Office for Academic Affairs. Students may not change a class from credit to audit after the end of the drop/add period.

The grade for an audit class is "NC" or no credit. The audit hours do not count toward full-time status, are not covered by financial aid, and are not added in the total credit hours completed for graduation.

ACADEMIC BANKRUPTCY

In certain situations, students may apply to declare academic bankruptcy for a semester's worth of work taken at Kentucky Christian University. In such cases, students' entire academic record for that semester will be removed from consideration in the establishment of their grade point average.

The bankruptcy policy is subject to the following guidelines:

- Students must file a written petition for academic bankruptcy with the Academic Council, presenting a strong case for supporting the approval of the petition. Reasons for the request, such as financial problems, illness, or problems of a personal nature should be cited. The Academic Council will forward its recommendation to the Vice President for Academic Affairs for final disposition.
- 2. The "forgiveness" policy demands that all courses taken at Kentucky Christian University during the semester in question will be included in the bankruptcy action. This includes all courses successfully completed by students during that period.
- 3. Students' academic record will be shown on their final transcript but grade point averages will indicate that no credit is to be granted for that period. A notation of the bankruptcy action will appear on the transcript.
- 4. In order to declare academic bankruptcy, one year must have passed since the close of the semester in question and the student must have completed at least twelve hours of additional coursework with no less than a 3.0 gpa at KCU or another regionally accredited institution.
- 5. In the case of students who were on suspension at the time of last attendance, when those students are granted academic bankruptcy and readmitted to Kentucky Christian University, they will be placed on probation for one semester and progress will be closely monitored by the Vice President for Academic Affairs.
- A student cannot declare academic bankruptcy more than once at Kentucky Christian University.

REPEATED COURSE WORK

A course may be repeated if students wish to raise their GPA. Although each attempt will show on the transcript, the last grade received will be used in computing the GPA if it is higher than the previous grade. If it is not higher, all grades for that course will affect the GPA. Grades not used in computing GPA will be replaced with an "R."

STUDENT CLASSIFICATION

Students are classified academically on the following basis:

- Freshmen: Those who have completed less than 30 semester hours.
- **Sophomores:** Those who have completed 30 semester hours, but less than 60 semester hours.
- Juniors: Those who have completed 60 semester hours, but less than 90 semester hours.
- Seniors: Those who have completed 90 semester hours.
- Full-Time Students: Those taking 12 or more hours in a regular course of study.
- Auditors: Students who attend classes but do not receive credit, and who are not required to complete assignments, take examinations, etc.

CLASS LOAD

Full-time students in academic good standing may register for 12 to 21 credit hours per semester. Students who wish to register for more than 21 hours must petition to do so in the Registrar's Office.

THE REGISTRATION PROCESS

To receive credit for any course, students must register for the course through the Office of the Registrar. Registration and pre-registration dates are listed in the university catalog. Students registering after the official day of registration must pay a late fee. Any course with insufficient enrollment (typically seven students) may be cancelled.

Changes in the original registration require the completion of a change of schedule form, which can be obtained from the Registrar's Office. The add/drop period extends until the first Monday following the beginning of classes. (See specific dates listed on the calendar page of this catalog, page 144.) To withdraw from a course, students must also obtain a change of schedule form from the Registrar's Office, obtain the signatures of the instructor and advisor, and return the form to the Registrar's Office.

CLASS ATTENDANCE POLICY

Punctual and regular class attendance is expected of every student. The policy governing absences is outlined in the Student Handbook.

MID-TERM AND FINAL EXAMINATIONS

Students are expected to take mid-term and final examinations on their assigned dates. If a change in date is required, students are responsible for meeting with the faculty member responsible for the specific course.

PROBATION AND SUSPENSION

Students who have attempted 0-29 credit hours must maintain a cumulative GPA of 1.85 or they will be placed on academic probation. Students with 30 or more attempted hours must maintain a 2.0 grade point average. Failure to do so will result in academic probation. If the needed GPA is not reached at the end of the probationary semester, academic suspension will follow. Students who receive less than a 1.85 GPA in a given semester OR who are on academic probation will not be allowed to carry a class load of more than 15 hours the following semester. Students who remain on probation for the second semester of their two-semester probation will not be allowed to carry more than 13 hours the second semester. NOTE: When feasible, students should re-take courses in which they preformed poorly as soon as possible as a higher grade when the class is retaken removes the previous poor grade from GPA calculation.

Any full-time student whose semester grade point average falls between 0.50 and 1.0 will be automatically placed on academic probation for the following semester.

Any full-time student whose semester grade point average falls below 0.50 will be placed on academic suspension for the subsequent semester. Students who are academically suspended cannot take any classes at KCU (online classes included). They must take classes at another institution to raise their GPA to the minimum required before they can apply for readmission to KCU. Academic suspension may be waived if students meet the requirements stated in the Academic Suspension Waiver Policy Statement (most notably, a requirement that students be within .25 points of the necessary GPA). For information concerning this waiver, students should contact the Office of Academic Affairs.

Students who are placed on academic suspension, and who do not meet the requirements for an Academic Suspension Waiver, may appeal to the Enrollment Management Committee. The student must submit a written appeal. In their appeal, they must explain the circumstances of the previous semester that resulted in their grade point average falling below Catalog requirements. They must describe any extenuating circumstances that should be considered by the Committee. Students should also paint a clear, concise picture for the Committee of any specific changes in

behavior, study habits, etc., that they will make in order to ensure a better opportunity for success. They must submit their written appeal to the Dean of Student Services, who will take the appeal to the Enrollment Management Committee for consideration. Students will be notified of the decision of the Committee within two business days of the meeting. Students who are placed on Academic suspension for a second time may be considered for readmission only after two years from the beginning of the second suspension.

CONTINUATION AS A STUDENT

Students who are in good standing and want to return to KCU after an absence of one or more terms should apply at the Admissions Department to update their files.

An interview may be required of all returning students who have previously been on academic or social probation. Minimum academic standards are to be maintained as stated above: The required grade point average for students with fewer than 30 hours attempted is 1.85 (based on the 4.0 system); the required grade point average for students with 30 or more hours attempted is 2.0.

DISMISSAL

Kentucky Christian University reserves the right to require the withdrawal of, or refuse readmission to, any student at any time if the University deems such action necessary to safeguard its ideals of scholarship and Christian character, and to secure compliance with its standards. Serious offenses which may lead to dismissal or refusal of readmission include: dishonesty in any phase of college work, failure to give truthful testimony to a college official, disregard for the safety and rights of others, and any behavior which brings discredit to the University.

ACADEMIC APPEAL

A student may at times substantively disagree with decisions made by professors in his/her classes. Substantive disagreements may relate to any aspect of the course, such as course requirements, the grading scale, the attendance policy, teaching methods, grading procedures, etc. If such a disagreement occurs, the student should follow the following procedures:

- Meet with the professor to discuss the issue in a pre-arranged, scheduled meeting. Unplanned meetings before or after class or in the hallway are often not effective in dealing with such issues. In most cases, discussing the issue with the professor resolves the situation.
- 2. If the issue is not resolved, and if the student feels the issue warrants further consideration, the student may file a formal written complaint to the professor. A written appeal to the professor must be filed within 30 days of the incident in question. The professor will respond in writing, in a timely manner, to the student's written complaint.
- If the student and professor are unable to come to resolution, the student may
 forward the written appeal, along with the professor's written response, to the
 Dean of the school under which the class in question is offered. The Dean
 will attempt to resolve the issue
- 4. If resolution is still not achieved, the student may file a written appeal to the Academic Appeals Committee. This written appeal should include the responses of the course instructor and the Dean of the school. The Academic Appeals Committee will render a written recommendation to the student and professor in question, and to the Vice President for Academic Affairs. Appeals will normally be considered and responded to within two business days of the receipt of the appeal.

ACCEPTANCE OF NONTRADITIONAL PROGRAMS OF STUDY

Students who wish to begin receiving college credit before enrolling as full-time students or who wish to accelerate their college career after entering college may consider one of several non-traditional options. Non-traditional options include Advanced Placement (AP), College Level Examination Program (CLEP), special departmental examinations, telecourses, correspondence courses, distance education courses, and independent studies. Credit recognition for any of these options is contingent upon the approval of the area Dean and/or the Vice President for Academic Affairs. Students choosing these options should always seek the consent of the appropriate administrator before enrolling in one of these programs.

Students wishing to test out of a course through CLEP or department exams must do so before the end of the first semester of their senior year.

Special Departmental Examinations. Some courses at Kentucky Christian University are available for credit or may be waived by arranging for a special examination, regardless of whether students have audited the course, are enrolled in it, or have studied it independently. These examinations are prepared and administered by the department that teaches the course. They are usually equivalent to a comprehensive final examination. A fee equal to one tuition hour will be charged, and the student must be enrolled in the school and in good standing.

For information about taking departmental exams, contact the Registrar and the Dean/Department Chairperson.

Students who wish to test out of CPS 101, Introduction to Computers, need to pass the CLEP Computer Exam *and* a Departmental Comprehensive Software exam with a grade of "C" or above.

Advanced Placement Program (AP). Kentucky Christian University recognizes the examinations of the College Board Advanced Placement Program offered by high schools throughout the nation. Individuals who wish to have AP scores evaluated for possible academic credit or placement should have the results forwarded to the Registrar's Office.

Students who receive credit for a particular course on the basis of Advanced Placement results may use this credit just as if they had taken the course at Kentucky Christian University. A grade of "P" will be given for the course. This grade recognizes the credit but does not affect the student's KCU grade point average either negatively or positively.

The following courses will be accepted when an appropriate level is reached:

Course:	Minimum Score	Trar	nsferred for:
American Government American History Biology Calculus AB or BC Calculus AB or BC Chemistry Computer Science English Lit./Comp. English Lang./Comp. English Lang./Comp.	4 3 3 4 3 3 3 5	POL HIS BIO MAT MAT CHE CPS ENG ENG	215 111 or 112 109 and lab; 221 or 231 321 111 and lab 101 101 101 102

College Level Examination Program (CLEP). Kentucky Christian University also recognizes the CLEP testing program of the College Board. CLEP tests will be recognized as appropriate credit for meeting degree requirements as indicated below.

A grade of "P" will be awarded whenever CLEP credit is granted. This grade recognizes the credit but does not affect the student's KCU grade point average either positively or negatively.

The following table presents exams and minimum scores used as guidelines for acceptable course substitutions.

Independent Study. Independent course work is allowed when students wish to pursue academic studies in a specific topical area that goes beyond that which is currently being offered by the University. The course work must be designed and supervised by a faculty person with appropriate background and credentials. For each course, a proposal must be submitted to the Dean/department chairperson and the Vice President for Academic Affairs before the course will be approved. Course expectations should require effort that equals or exceeds that which would be required in a traditionally delivered course.

SCHOLASTIC HONORS

Each semester, the President's List, Dean's List, and the Honor Roll recognize students who, in the previous semester, attained the following standards:

President's List. The President's List is comprised of students who were enrolled for a minimum of 12 credit hours and who attained a 4.0 grade point average for the semester. Only 100 to 400 level classes are used to compute the grade point average. Students named to the President's List receive letters of recognition from the President.

Dean's List. The Dean's List is comprised of students who were enrolled for a minimum of 12 credit hours and who attained grade point averages of 3.75 to 3.99. Only 100 to 400 level classes are used to compute the grade point average. Students named to the Dean's List receive letters of recognition from the Vice President for Academic Affairs.

Honor Roll. The Honor Roll is comprised of students who were enrolled for a minimum of 12 credit hours and who attained grade point averages of 3.3 to 3.74. Only 100 to 400 level classes are used to compute the grade point average. Students named to the Honor Roll receive letters of recognition from the Vice President for Academic Affairs.

Graduation With Honors. Students whose overall academic work at KCU is of the highest quality are designated for graduation with honors. Only 100 to 400 level classes are used to compute the grade point average. Students will be graduated with honors under the following designations:

Summa Cum Laude (with highest honors)
Magna Cum Laude (with high honors)
Cum Laude (with honors)

cumulative GPA of 4.00 cumulative GPA of 3.75-3.99 cumulative GPA of 3.3-3.74

STUDENT AND ALUMNI AWARDS

Each year several outstanding graduating seniors are selected by the faculty of the University to appear in the list of **Who's Who in American Colleges and Universities**.

An annual Honors Month is held near the end of the academic year. Recognition is given to students who have demonstrated campus leadership or attained other outstanding achievements. Some of those recognized receive scholarships.

In addition to the awards given to current students, awards are given annually at Alumni Family Reunion ceremonies to deserving Alumni. The most prestigious of these is the Knights Award given to one who has gained distinction for service in the Brotherhood.

GRADUATION REQUIREMENTS

In order to graduate from Kentucky Christian University, students must meet the following requirements:

- 1. Possess Christian character and Christian conduct of such quality that the University can heartily recommend the graduate to the Christian public.
- 2. Complete the prescribed studies in the curricular program chosen, and maintain the minimum of a C grade average (a 2.0 average on a 4.0 scale).
- 3. Complete the required semester hours designated for each degree as prescribed by the program sheets listed in the KCU catalog.

**Students transferring from other institutions must complete at least 25% of the degree requirements at Kentucky Christian University in order to receive KCU's degree. At least 25% of the classroom work within a declared major or minor must be completed at KCU. Each department chairperson may identify additional required coursework deemed appropriate to completion of the degree.

Under no circumstance may a student graduate with more than 24% of course hours taken in an on-line format.

- 4. Complete the required minimum of twenty-four (24) credit hours in the Biblical Studies major with a cumulative grade point average of 2.0.
- 5. Complete the following Arts and Sciences courses with minimum grade of C (2.0): ENG 100 or 101 and ENG 102, or ENG 103, and MAT 220 or higher.
- 6. Complete the Basic Academic Skills Examination (BASE) during the senior year.
- 7. Complete the requirements for the Marriage, Family, and Relationship Development program including attendance and participation at all lectures and small group activities. Transfer students with 60+ credit hours are not required to participate. The Marriage and Family course offered through the Counseling Psychology Department will also fulfill the marriage and family requirement.
- 8. Deliver official transcripts for any non-KCU courses to the Office of the Registrar by January 31 of graduation year (September 30 in the case of December graduation.) This requirement applies to all non-KCU courses that are to be applied toward graduation requirements, regardless of whether courses were taken in a traditional or distance learning format.
- 9. Complete a senior audit and an application for graduation during the first semester of the final year.
- 10. Meet all financial obligations.
- 11. Be approved by the Board of Trustees, which authorizes the conferral of all degrees.

APPLICATION FOR GRADUATION

It is the responsibility of students to notify the University of their intent to graduate. Application for graduation is made upon completion of 70 credit hours. Forms are typically completed during the registration process in the spring semester of the Junior year. This application generates a graduation audit that verifies incomplete graduation requirements. Questions concerning this process should be addressed to assigned academic advisors.

DISTRIBUTION OF DIPLOMAS

Typically students who are in good standing with the University receive their diplomas during the commencement ceremony. However, students who do not attend the ceremony, but are in good standing automatically receive their diplomas within three weeks of graduation. Diplomas are mailed at no charge to home addresses.

ALUMNI STATUS

Upon completion of the university career, a student becomes a member of the Kentucky Christian University Alumni Association. All alumni are given the opportunity to receive *The Voice*, attend the Alumni Banquet held on campus annually, and to participate in Homecoming as well as other events and activities. For more information contact the Alumni Association at alumni@kcu.edu.

TRANSCRIPTS

College transcripts may be requested from the Registrar's office either in person, by fax, or by mail. The signature of the student is required for release of transcripts. The written request should include the name under which courses were taken, address, dates of attendance at KCU, and the name and address of the person to whom the transcript should be sent. Telephone and email requests are not honored. A fee is charged for each copy of a student transcript.

An official transcript release on *prior students* will be authorized on any account that is paid in full. No transcript will be authorized on an account with a balance outstanding.

An official transcript release will be authorized on *current students* after the drop/add period has ended if (1) no federal funds have been received, and (2) the account is paid in full. If federal funds have been received, authorization will be delayed until all federal funds are clear, even if the account is paid in full. Exception: Senior Students with paid in full accounts may request an official transcript to be sent to a graduate school at any time during their last semester of enrollment.

An unofficial transcript is available to current and prior students at any time.

HAYDEN-SENSIBAUGH LECTURESHIP

The Hayden-Sensibaugh Lectureship began in 1985 and exists to bring to the University lecturers who speak on Biblical and historical themes. This lecture honors and memorializes outstanding former Board of Trustee Member, the late Hugh Sensibaugh, along with the late Dr. Ed Hayden, former Member of the Board.

GRADUATE STUDY

Graduates of Kentucky Christian University are readily admitted to graduate seminaries, as well as many graduate programs of state and private universities, usually without doing additional course work to meet entrance requirements.

Kentucky Christian University has two programs at the Master's level. They are the Master of Arts in Biblical Studies and the Master of Arts in Christian Leadership with several concentrations available.

Alumni of Kentucky Christian University are eligible for a 20% discount for KCU graduate study programs. For more information call the Graduate Studies Office at 1-877-841-6391 or email gradstudies@kcu.edu.

PROGRAMS OF STUDY

Kentucky Christian University offers four undergraduate degrees: the Bachelor of Arts (B.A.), the Bachelor of Science (B.S.), the Bachelor of Business Administration (B.B.A.), the Bachelor of Science in Nursing, and the Bachelor of Social Work (B.S.W.). Within each of the bachelor's level programs, students will complete a **core curriculum** of 25 hours in **Arts & Sciences**, a minimum of 24 hours in **Bible and Theology**, and at least a 30–hour major.

Bachelor's degrees are designed to prepare students for careers and graduate study in a variety of specialized areas. Two years of language study are required for the Bachelor of Arts degree.

DEGREE REQUIREMENTS

Undergraduate degree requirements are of two kinds: college degree requirements that are binding on *all* programs and specific degree requirements established by various departments or academic units that award specialized degrees. No more than 50% of the course work required for one major or minor may be applied to another major or minor.

Majors. Most majors consist of 121 hours. Majors are available in the following areas:

Advanced Biblical Studies Bible and Ministry

Biology/Pre-Professional

Business Administration (*emphases in Accounting, Management, and*

Sport Management)

Mission Statement

The mission of the School of Arts and Sciences is to instill within students the basic skills of mathematics, reading, writing, and oral communication required for successful Christian leadership and service in the church. The school will provide students with a foundation of knowledge considered essential for any educated person in professions throughout the world.

Objectives

Graduates completing the Arts and Sciences core will be:

- 1. Effective communicators, able to find, organize, and express information and ideas.
- 2. Well-informed critical thinkers, able to understand and use core concepts and principles from math, science, history, literature, and the humanities/fine arts.
- 3. People committed to integrity and biblical values in their personal and professional lives.

Additionally, graduates completing a major in Arts and Sciences (History and Humanities) will be:

- 4. Able to understand and respect cultural and ethnic differences.
- 5. Prepared to pursue graduate studies and/or entry-level employment related to each student's long- and short-term goals.

KCU students in the Arts and Sciences also have the opportunity to participate in full-semester programs away from campus through the Council of Christian Colleges and Universities (CCCU). KCU students have studied overseas (Australia; Costa Rica; Russia; China; Oxford, England) and in the U.S. (Hollywood, Washington D.C., Martha's Vineyard, Nashville), completing emphases in fields such as Latin American Studies, American Studies, Photography, Contemporary Music, and Film. For more information, contact the Dean of Arts and Sciences.

Arts and Sciences

The Arts and Sciences core (a requirement in all degree programs) consists of 30 semester hours in the areas of English composition, communication, mathematics, science, history, and other disciplines in the arts and sciences. The Arts and Sciences core is designed to expose students to a breadth of knowledge that is considered essential for any educated person and is defined by the following block of courses:

Mission Statement

The mission of the **History/Pre-Law Program** is to lay a foundation of knowledge which will prepare students for entrance into law school and/or graduate studies in history. This program places special emphasis upon encouraging students to assume positions of Christian leadership in their chosen field of endeavor.

Objectives

Graduates will:

- Communicate effectively in both oral and written forms consistent with historical scholarship.
- 2. Demonstrate research abilities relevant to the field of history.
- 3. Effectively utilize current technology in historical applications.
- 4. Perform at accepted standards required by law schools and graduate schools by performing well on the LSAT and/or GRE.
- 5. Begin the development of short-term and long-term career goals.

General Information

The **History/Pre-Law** program at Kentucky Christian University prepares its graduates for a variety of careers in business, government, museums, historical societies, archives, ministry, education, and for entry into law schools, schools of government, and graduate programs in history.

The **History/Pre-Law** program is the most flexible academic program at Kentucky Christian University. Our majors have 30 elective hours, which allows them to explore their interests. This flexibility also makes it possible to earn any of the many minors that KCU has to offer and even obtain a second major.

Courses of study such as the History major offered at Kentucky Christian University are common prelaw preparations. It is very important that the courses of study be sufficiently difficult to develop intellectual potential and academic discipline. Whatever their chosen major, pre-law students may incorporate a wide spectrum of courses which may include: HIS/POL 201 American Civics, PHI 301 Introduction to Philosophy, ENG 101 English Composition I, ENG 102 English Composition II, ENG 203 Masterpieces of World Literature, ENG 213 Masterpieces of British Literature, ENG 223 Masterpieces of American Literature, ECO 231 Microeconomics, and ECO 232 Macroeconomics. Pre-Law students who are majoring in history are also encouraged to minor in business, English, or legal studies.

Students who desire to enter law school should be aware that, while there is no standardized curriculum required, these institutions seek students who have given evidence of their academic ability through high grade point averages and high scores on the Law School Admission Test (LSAT). Successful applicants must be able to read with speed and comprehension, think logically and creatively, and speak clearly and effectively.

In addition to these areas, most law schools look beyond academic performance. Other areas, which receive consideration by Enrollment Management Committees, are work experience, extra-curricular activities, community service, and letters of recommendation. Students whose experiences cover a broad spectrum have a much greater possibility for acceptance.

Recent KCU **History/Pre-Law** alumni have been accepted into graduate programs at the University of Kentucky, Northern Kentucky University, St. John's University, Kent State University, University of Louisville, Regent University, Emmanuel School of Religion, Mercer University, Valparaiso University, Morehead State University, Capital University, Ohio Northern University, and Western Carolina University.

Graduate Level Studies in History

Students intending to pursue graduate studies in history are advised to concentrate their elective hours in the history curriculum.

Admission Requirements

- 1. During the first semester of the sophomore year, candidates for admission to the history program will undergo an admissions process.
- 2. Candidates should have completed or be in the process of completing the following courses when application is made for admission to the program: ENG 100/101 and 102 (or 103); HIS 101, 102, 111, or 112.
- 3. Candidates for admission to the program must have a 2.0 GPA in ENG 100 or 101 and 102 (or 103); and the HIS courses.
- 4. Candidates will submit an unofficial transcript to the program director. (Candidates must have a minimal cumulative GPA of 2.0 on a 4.0 scale for admission.)
- 5. Candidates should demonstrate a commitment to the moral, ethical, and social behavior in keeping with the purpose of the college. Letters of recommendation from a church member and a professor are to be submitted to the program director.
- 6. Candidates will have an interview with the program director and will be informed of the admission decision within four weeks of the application date.

Graduation Requirements

- 1. Complete requirements for formal admission into the program.
- 2. Maintain a cumulative GPA of 2.0.
- 3. Complete the following A&S courses with a 2.0 or higher: ENG 100 or ENG 101 and 102 and (or 103), and MAT 220 or higher.
- 4. Possess a cumulative GPA of 2.5 in the 42–hour history major.
- 5. Complete the following courses with a minimum grade of C: HIS 101, 102, 111, 112, 211, 303, 444.
- 6. Successfully complete 121 hours consisting of:

Arts and Sciences Core		25
Bible and Theology Core		24
History Required Courses *		51
Additional Studies**:		30
B.S. take 30 hours General Electives	Or	

B.A. Additional Language Requirement 12 hours + 18 hours General Electives.

Total Hours 121

- 7. Complete either the Graduate Records Exam or the Law School Admission Test by April of the senior year. Students completing the required exit interview must furnish the program director with proof of their completion of the test.
- 8. Complete an exit interview with program director.
- 9. KCU does not allow students to take more than 24% of their classes in a non-traditional format (e.g., internet or online classes). For a 121 hour program, no more than 30 hours may be in a non-traditional format.

^{*}Nine of the required history hours are taken as a part of the Arts and Sciences core.

^{**}General elective courses should be selected in consultation with the program director. Selection will be based upon the student's career choices and/or the direction the student proposes to follow in graduate study.

Mission Statement

The mission of the Humanities Program is to lay a broad foundation of knowledge from which to understand human experience. This program emphasizes the commonalities of all human experience, thus helping students to be more broadly informed Christian leaders in all areas of life across cultures.

Objectives:

Graduates will:

- 1. Demonstrate the ability to integrate the sacred and the secular into their understanding of their cultural experiences.
- 2. Demonstrate an understanding of the development and influence of culture in Western tradition from classical to contemporary.
- 3. Prove skills and knowledge learned in the classroom through supervised work in an approved internship.
- 4. Successfully pursue graduate studies and/or employment.

Programs Offered

Bachelor of Arts in the Humanities Bachelor of Science in the Humanities Minor in Humanities

General Information

The **Bachelor of Science in the Humanities** requires 44 semester hours of interdisciplinary studies, including an internship, and a minor. The **Bachelor of Arts in the Humanities** requires 44 semester hours of interdisciplinary studies, including an internship, and 4 semesters of foreign language courses.

The Humanities program at Kentucky Christian University is a broad-based, inter-disciplinary approach to learning. It emphasizes:

- 1. Self-support and opportunities for advanced studies. Graduates with degrees in the humanities are prepared to engage in advanced problem solving and critical thinking. They successfully pursue graduate study in disciplines as diverse as business, seminary studies, library science, journalism, secondary and post-secondary education, and the law. They are also prepared for entry-level roles such as copywriter, editorial assistant, historian, and archivist. Finally, they are actively recruited for entry-level jobs in fields such as business where employers seek advanced skills in critical thinking.
- 2. A worldview centered in Christ. The ability to influence the religious, social, educational, and business communities around one depends, ultimately, on an integrated view of life. A study of the broad range of human experience helps graduates to view life as a whole, melding the sacred and the secular. Values, morals, and ethics are all expressed and clarified through study of the humanities, integrated with faith.
- Global awareness. An awareness of the interconnectedness of nations and people
 assumes the ability to communicate across cultures. Study of the humanities helps
 to highlight the essential human experiences in all cultures, which facilitates intercultural bridge building.

In combination with a vocationally-based minor and internship experience, the humanities graduate is effectively prepared to enter the job market or graduate studies. Beyond this, however, humanities majors are prepared to understand people and the changing events which shape our world. The integration of faith in the program and its inter-disciplinary emphasis uniquely prepares the University's humanities majors to integrate the secular and the sacred in their lives and thought. Regardless of occupational field, they will be truly *educated* for Christian leadership and service in the Church and professions throughout the world.

SCHOOL OF ARTS AND SCIENCES Bachelor of Science in Biology

Contact Person Mitch Marshall, D.M.D., M.S Phone: (606) 474-3232

Associate Vice President of Health Sciences E-mail: mitch@kcu.edu

Mission Statement

The mission of the Bachelor of Science in Biology program is to provide students the opportunity to study in a Christ-centered environment to obtain an excellent academic foundation in the biological sciences. Through a variety of course offerings, the student will become prepared to enter a post baccalaureate graduate program, professional schools such as medicine, dentistry and pharmacy, or a career related to the biological sciences.

Programs Offered

Pre-Veterinary

Bachelor of Science in Biology Pre-Medicine Pre-Dentistry Pre-Optometry Pre-Pharmacy Pre-Physician Assistant Pre-Physical Therapy

Program Objectives for a Bachelor of Science in Biology

Graduates of this program will:

- 1. Be provided with basic instruction in the concepts of professional education in biology, chemistry, and physics to prepare students to successfully continue their education at the graduate school level.
- 2. Receive instruction in the basic sciences as a foundation for students pursuing professional degrees in the health sciences and allied health fields.
- 3. Develop a self-awareness of their responsibility as a Christian to use their chosen major in the sciences and health fields to be a servant-leader.

General Information

The Bachelor of Science in Biology will prepare students for further study in graduate and professional programs in areas such as genetics, microbiology, immunology, and health careers. Students interested in pursuing degrees in medicine, pharmacy, optometry, dentistry, or other health sciences are encouraged to consider this concentration which was designed to accommodate a broad range of entrance requirements for many programs. Students should work closely with their assigned academic advisor to help prepare them for admission to the professional program of their choice.

Admissions Requirements

The Bachelor of Science in Biology major requires an ACT of 21. Students must give careful consideration to the graduation requirements below. Students will be allowed to complete their freshman year with an ACT of 19, but must achieve a 21 before progressing to the sophomore level of biology studies.

Graduation Requirements

- 1. Complete the core curriculum requirements with an overall 2.0 GPA.
- 2. Complete all required biology courses with a grade of C or higher and a GPA of 2.5.
- 3. Complete all related major subject requirements which include: mathematics, physics and chemistry with a minimum of a C average (2.0 on a 4.0 scale).
- 4. Maintain an overall cumulative GPA of 2.0.
- 5. KCU does not allow students to take more than 25% of their classes in a non-traditional format (e.g., internet or online classes). For a 125 hour program, no more than 30 hours may be in a non-traditional format.

KEERAN SCHOOL OF EDUCATION

Contact Person: Karen Sue Ford, Ph.D. Phone: (606) 474-3208

Dean Email: kford@kcu.edu

Mission Statement

The overall goal of the Keeran School of Education at Kentucky Christian University is to produce teachers who are empowered to: (1) assess students, (2) analyze content, (3) plan instruction, (4) implement instruction, and (5) evaluate instruction and learning. Graduates are expected to be life-long learners and role models in professional and social communities.

Objectives

Keeran School of Education graduates will be able to: design and plan instruction; demonstrate applied content knowledge; create and maintain learning climates; implement and manage instruction; assess and communicate learning results; reflect and evaluate teaching and learning; collaborate with colleagues, parents, and others; evaluate teaching and implement professional development; demonstrate the implementation of technology; and provide leadership within the school, community, and profession.

General Information

PRAXIS II National Licensure Testing Results - Title II

Each teacher education graduate must pass PRAXIS II licensure exams associated with their program of preparation before they receive certification to teach. Licensure exam results are reported by the Federal Government in an annual "Title II" report that indicates the pass-rate of program graduates at each institution. The Keeran School of Education of Kentucky Christian University has achieved successful pass rates for the report years of 2001-2010.

Admissions Requirements

Students seeking teacher certification must apply for and be admitted to a teacher education program that is approved by the Kentucky Education Professional Standards Board. All Kentucky Education Professional Standards Board program changes will supersede any Kentucky Christian University requirements. Applications are accepted for review by the Teacher Education Admissions Committee from students who have completed, or will complete during the semester in which they apply, 30 semester hours, including EDF 200 and EDF 223 with a grade of C- or better. Students will be notified of their admission status three weeks following the meeting of the committee. Information considered during the review process includes but is not limited to:

- 1. Academic record (A minimum overall GPA of 2.5 is required).
- 2. Recommendations from three instructors familiar with the applicant's dispositions and

qualifications (via the Dispositions Survey).

- 3. Completion of prescribed pre-professional laboratory experiences (EDF 223).
- 4. Demonstration of proficiency in oral and written communication. (Successful completion of Speech, English Composition I, and English Composition II with a minimum grade of C).
- 5. Review of the Professional Code of Ethics for Kentucky School Certified Personnel (16 KAR 1:020) with a signed declaration affirming a commitment to uphold the code and acknowledging awareness of information required for state certification.
- 6. Submit records providing official scores as evidence of meeting the general academic proficiency requirement. A candidate must meet one of the following criteria related to ACT(composite score) scores or PPST scores and overall GPA on a required number of hours:
 - A candidate may have a 21 ACT (composite score) and a minimum overall GPA of 2.5 (can be rounded-up from 2.45) on a minimum of 30 hours of class work.
 - When a candidate uses the results of the PPST as the measure of general academic proficiency, the candidate must have the following minimum scores: Reading 173, Mathematics 173, and Writing 172, and a minimum overall GPA of 2.5 (can be rounded-up from 2.45) on a minimum of 30 hours of class work.

Please note that after enrollment in the institution, the maximum number of times a candidate can take the ACT, both on-campus and off-campus, is three (3). It is imperative that candidates study and prepare for the ACT before taking the exam.

Transfer students must apply immediately for admission to the program and meet criteria outlined above. Failure to do so may prolong the program. The Dean of the Keeran School of Education may permit admission to professional courses pending processing of students' application for admission to the program. No professional methods courses can be transferred into a student's program in the Keeran School of Education.

Retention in the teacher education program is dependent upon maintenance of the minimum level of performance (2.5 overall GPA) required for admission. Students denied admission to, or suspended from, the teacher education program may reapply for admission once each semester.

Student Teaching

Applications for student teaching must be completed during the spring semester for fall or spring of the following year. Application forms are obtained from the Coordinator of Student Teaching during the month of February and returned by March 1. To be eligible for the student teaching semester, students must have completed the following requirements:

- 1. Admission to, and good standing in, the teacher education program with the required assessments of candidate dispositions on file.
- 2. Completion of 150 hours of pre-student teaching clinical and field experiences.
- 3. Presentation of cumulative minimum grade point standing of 2.5 and a 2.5 in the courses in the professional education component, area(s) of specialization, and teaching fields.
- 4. Completion of a minimum of 90 semester hours.
- 5. Completion of prerequisite professional education courses.
- 6. Completion of 75% of the course requirements in each specialization component or teaching field.
- 7. Completion of all courses listed in their professional preparation components, areas of specialization, and teaching fields with a grade of C- or higher.

- 8. Submission of a valid and current record of a medical examination including a tuberculosis test.
- 9. Submission of a clear federal background check through the process required by the Keeran School of Education.
- 10. Maintained adherence to the unit candidate dispositions and the professional Code of Ethics for Kentucky School Certified Personnel, as defined in 16 KAR 1:020, is required prior to and during the student teaching experience.

Student teaching placements will be made within a 45-mile driving distance (in Kentucky) from the University campus. All student teachers will complete 70 days in their student teaching assignments. Absences for illness or approved extra-curricular activities may not exceed three days. Any absence for illness beyond three days will require a physician's verification. Any absences for the above reasons will not reduce the 70-day student teaching requirement. Absences beyond three days without a physician's verification for any reason will lower the student teaching grade. Student teaching is a 12 credit hour program. No other classes (in-class, online, independent study) may be taken during student teaching.

Recommendation for Certification

Regulations of the Commonwealth of Kentucky Education Professional Standards Board stipulate that applicants for a teacher's certificate must be recommended by the institution offering the teacher preparation program. The Dean of the Keeran School of Education is the official designated to recommend for certification teacher education graduates of Kentucky Christian University.

Application for the appropriate certificate should be completed early in the semester prior to graduation. Application forms may be obtained from the Dean of the Keeran School of Education.

Students desiring certification must successfully complete the Praxis Series: Praxis II: General and Subject Assessments appropriate for each certification. The test(s) should be taken during the senior year and the expense for these examinations is to be paid by students.

Students desiring certification must complete a Form TC-1 when applying for Kentucky teacher certification. The applicant must sign form TC-1, Section III, Character and Fitness. Statements concerning personal and professional fitness are a part of this section. (Also see: Professional Code of Ethics for Kentucky School Certified Personnel [16 KAR 1:020]).

Graduation Requirements

- 1. Meet successfully the established criteria for admission to the teacher education programs.
- 2. Maintain a minimum cumulative GPA of 2.5 as well as a minimum GPA of 2.5 in each of these areas: professional education courses, specializations, and teaching fields.
- 3. Complete 150 clinical/field hours prior to student teaching.
- 4. Successfully complete student teaching experience.
- 5. Complete all continuous assessment tasks.
- Successfully complete all program requirements and state certification requirements at stated GPA levels.
- KCU does not allow students to take more than 24% of their classes in a non-traditional format (e.g., internet or online classes). For a 132 hour program, no more than 30 hours may be in a non-traditional format.

SCHOOL OF MUSIC

Contact PersonWes Golightly, D.M.A.Phone: (606) 474-3221DeanE-mail: wgolightly@kcu.edu

Mission Statement

The mission of the School of Music at Kentucky Christian University is to design, develop, implement, and evaluate academic programs and to educate students for Christian leadership and service in church music and in other music professions throughout the world.

Objectives

Graduates will demonstrate competencies of:

- 1. Musical score reading and analysis.
- Performance skills in applied studies (voice, piano, brass or guitar)
- 3. Minimal skills in one or more additional applied areas.
- 4. Ability to train others in developing musical skills.
- 5. Conducting skills.
- 6. Knowledge of music history including composers, styles and genres from antiquity to the present.
- 7. Sight-singing and ear training skills.
- 8. Ensemble music.

Programs Offered

Bachelor of Arts, Major in Worship Bachelor of Science, Major in Music Performance Bachelor of Science, Major in Music Business

General Information

The major in Worship is for students pursuing careers in leading church music programs including contemporary, blended and traditional services. The major in Music Performance equips students for music study at the graduate level. Students who major in Music Business will be equipping themselves to be Christian leaders as employees or as entrepreneurs in a variety of music businesses and professions.

Audition To Begin Study in the School of Music

Students entering as music majors must do the following prior to starting their first semester of study:

- 1. Audition in the primary and secondary area of study (vocal, piano, or instrumental)
- 2. Take the placement examination in music theory.

Admissions Requirements

Students seeking a degree in music must apply for and be admitted to the School of Music. Students are required to meet admission standards concurrent with their application to the music program.

Students should apply for admission to the School of Music during the second semester of the sophomore year. Failure to apply by this time will result in an extended program. Retention in the music program is dependent upon the maintenance of the levels of performance required for admission. Students denied admission to, or conditionally admitted to the School of Music may re-apply for admission once each semester through the Dean of the School of Music.

The following guidelines are used to determine status of music candidates:

Students, entering as music majors, audition in their primary applied areas of study prior to beginning their first semester.

- Formal application is filed during the second semester of the sophomore year. Transfer students (having completed 40 hours or more) must apply immediately and meet the admission criteria. The Dean of the School of Music may permit transfer students to be provisionally admitted pending the processing of students' applications for admission.
- 2. Candidates for admission must take written and aural examinations upon completion of 40 credit hours. A minimum score of 70 percent is required.

The written examination includes material from the following courses:

- a. Music Education, Worship, and Music Performance: MTH 111, 112, 214, and 215.
- b. Music Business: MTH 111 and 112.
- The aural examination in sight singing and ear training includes material from the following courses:
 - a. Music Education, Worship and Music Performance: MTH 111L,112L, 211L And 212L
 - b. No aural examination for Music Business.
- 4. A piano proficiency examination is completed by the end of the sophomore year. Students may make a written request to extend the timeline to the end of the junior year if there are extenuating circumstances. Failure to complete the requirements in this timeline may result in being denied admission. Requirements for piano proficiency are published in the Piano Proficiency Handbook available in the KCU Bookstore.
- 5. Worship majors are required to pass a vocal proficiency examination upon completion of the sophomore year. Students may make a written request to extend the timeline to the end of the junior year if there are extenuating circumstances. Failure to complete the requirements in this timeline may result in being denied admission. Requirements for the vocal proficiency will be available from the vocal faculty.
- 6. Foundations of Music Theory I and II (MUF 091,092) do not count toward degree requirements in music. Class Voice and Class Piano (MAP 161 and 151, 152, 251, 252) do not count toward primary applied credit.
- 7. At the conclusion of the sophomore year, or the fourth semester of private study in the students' primary applied area, the semester jury will be evaluated by the music faculty. The compiled evaluation will determine whether or not the student has achieved a minimum level of acceptable performance.

Failure to meet all of the above requirements for admission to the School of Music will result in a delayed program or removal from the program of study. Junior and Senior recitals and Worship Projects will not be scheduled until admission has been granted.

Graduation Requirements

All students graduating with a music degree must:

- Satisfy graduation requirements as set forth by the School of Arts and Sciences with completion of the 49 credit hour combined core of Arts and Sciences and Bible courses as listed per degree program.
- 2. Obtain a minimum grade of "C" (2.0) in the following core classes: Composition I (ENG 100 or ENG 101), Composition II (ENG 102), and an elective math course (MAT 220 or higher).
- 3. Obtain a passing score of 70 percent on comprehensive examinations (Sophomore and Senior).
- 4. Complete the established criteria for admission into the School of Music.
- 5. Complete six credit hours of Concert Enrichment (MAP 110) and satisfactorily completing Recital Attendance (MAP 111) each semester while enrolled at KCU.
- 6. Complete a minimum concentration of four hours of ensemble credit in specified ensembles depending upon students' primary performing medium:
 - Voice or piano: Concert Choir or Chorale
 - Brass instrument: Concert Band or Jazz Ensemble

- 7. Recitals pertaining to piano and instrumental students:
 - Junior half recital: three periods represented (selected from Baroque, Classical, Romantic, 20th Century); 25 minutes performance time; each musical period should contain at least three minutes of performance time.
 - Senior half recital: four periods represented (selected from Baroque, Classical, Romantic, 20th Century); 25 minutes performance time; each musical period should contain at least three minutes of performance time.
 - Senior full recital: four periods represented (selected from Baroque, Classical, Romantic, 20th Century); 45 minutes performance time; each musical period should contain at least three minutes of performance time.
- 8. Recitals pertaining to voice students:
 - Junior half recital: 25 minutes of performance time; three languages represented.
 - Senior half recital: 25 minutes of performance time, four languages represented.
 - Senior full recital: 45 minutes of performance time; four languages represented.
- 9. KCU does not allow students to take more than 24% of their classes in a non-traditional format (e.g., internet or online classes). For a 120 hour program, no more than 28 hours may be in a non-traditional format.
- * Recitals are a summary experience and should be completed no sooner than the next to last semester of required study. Admission to the School of Music is prerequisite to the performance of a required recital.

In addition to the graduation requirements listed above, the following requirements are listed as specific to each degree program:

Graduation Requirements Specific to Music Performance: (Emphasis in Voice or Piano)

Students graduating with a Bachelor of Science in Music Performance must complete 23 credit hours of Music Major core, 48 credit hours of Music Performance specialization, a junior half recital and a senior full recital.

Graduation Requirements Specific to Music Business:

SACK SCHOOL OF BIBLE AND MINISTRY

Contact Information: David Fiensy, Ph.D. Phone: (606) 474-3263

Dean E-mail: dfiensy@kcu.edu

Mission Statement

The mission of the Sack School of Bible and Ministry is to educate and equip our majors for vocational ministry and to instill a Christian worldview in all students of Kentucky Christian University.

Objectives

- 1. Demonstrate competence in basic biblical study using primary Bible study tools.
- 2. Possess a working knowledge of basic biblical doctrines, especially regarding the person and work of Christ.
- 3. Demonstrate growth in basic familiarity of major people, places, events, and passages of the Old and New Testaments.
- 4. Produce a coherent Christian worldview, drawing together Old and New Testament texts.

Bible Curriculum General Information

The mission of Kentucky Christian University demands that the entire curriculum be Bible-centered and that students be given adequate courses with biblical and doctrinal content to ensure them a foundational knowledge in these areas. Underlying this demand is the belief that a person is not truly well educated without a basic knowledge of the Bible's teaching. The foundation for this conviction lies in our confidence that the Bible is the very Word of God and speaks with Divine authority and absolute trustworthiness about the nature of man and the universe and about the meaning of human history and life.

All students seeking a Bachelor's degree at Kentucky Christian University are required to complete at least 24 hours of Bible, theology, and applied theology courses. This Basic Bible core is designed to equip students to handle the Word of God properly, and to integrate biblical principles and values into their lives, their homes, and their vocations. This basic core is described below.

Those students majoring in Bible and Ministry must also complete the 45-hour Bible and Ministry Core to qualify for graduation. This 45-hour core is described in the catalog section detailing the program in Bible and Ministry. Students pursuing a major in Advanced Biblical Studies must complete the 69-hour Bible and biblical language requirements. This is described in the catalog section detailing the Advanced Biblical Studies program.

Graduation Requirements

Prior to graduation, all students will complete the following assessment procedures:

- 1. The required minimum of 24 credit hours Basic Bible Core with a cumulative grade point average of 2.4 (2.0 for University Studies majors only).
- 2. Successful completion of an additional major or minor, as the program specifies.
- 3. For all majors except University Studies, the completion of an internship of at least 400 hours with a grade no lower than "C".

General Information

Majors offered by the Sack School of Bible and Ministry are designed to prepare graduates for service and leadership in the church and in the world. In particular, students completing these majors generally pursue careers in church ministry, parachurch and not-for-profit organizations, and in biblical/theological scholarship and Christian higher education. The growing complexity of potential areas of vocational ministry, including youth ministry, children's ministry, family life ministry, small group ministry, and so forth, provide graduates with a wide variety of potential career choices.

Programs intended to prepare graduates for careers in vocational ministry include a major in Advanced Biblical Studies and a major in Bible and Ministry. These programs are described in detail in the following sections of this catalog. Those interested in preparing for careers in Music Ministry and Specialized Ministries should refer to the section of this catalog describing the programs of the School of Music. There they will find the specific requirements of these majors.

Students graduating with a major in Advanced Biblical Studies will minimally have a curriculum comprised of the following components:

Arts and Sciences Core	25
Bible and Theology Core	24
Advanced Studies	27
Biblical Language	18

SACK SCHOOL OF BIBLE AND MINISTRY

Emphases and Minors

In the Sack School of Bible and Ministry, Emphases offer foundational training in a variety of ministry areas to students who major in Bible and Ministry (or take minors in Ministry).

Minors within the Sack School of Bible and Ministry provide KCU students an opportunity to broaden their skills in various areas of Christian service and church life. The mission of Kentucky Christian University calls for the participation of all Christians in providing leadership in the Church and in the world. These minors recognize the value of professional church leadership and the necessity of the ministry of all believers.

The Sack School of Bible and Ministry offers the following emphases and minors:

Major in Advanced Biblical Studies

Contact Person James Girdwood, Ph.D.

Program Director E-mail: jimgird@kcu.edu

Phone: (606) 474-3286

Mission Statement

The mission of the Advanced Biblical Studies program is to prepare students to effectively provide Christian leadership and service in the church and in the world through understanding and teaching the Bible with attention to its original languages and grammatical and historical context.

Objectives

Graduates will:

- 1. Achieve the general objectives of the Sack School of Bible and Ministry.
- 2. Demonstrate a working knowledge of original languages equivalent to that expected from two years of college level New Testament Greek and one year of college level Old Testament Hebrew.
- 3. Demonstrate preparation for graduate level work in Bible or Ministry.

Program Offered

Bachelor of Arts, Advanced Biblical Studies

General Information

The major in Advanced Biblical Studies includes three years of biblical languages and is a good choice for those students preparing for seminary work. The program provides an Arts and Sciences core, Bible and Theology core, and an Advanced Biblical Studies Major, which includes a biblical languages component and a ministry component. Graduates must also complete an approved minor.

Admission Requirements

Students wishing to major in Advanced Biblical Studies must "maintain Christian character and conduct of such quality" that the Sack School of Bible and Ministry can in good conscience recommend the graduate for employment in churches and other ministries (see KCU Student Handbook, page 8.)

Graduation Requirements

- 1. Demonstrate growth in familiarity with people, places, events, and concepts in passages of the Old and New Testaments through the Bible knowledge tests administered in the freshman and senior years.
- 2. Successfully complete all courses required for this program.
- 3. Complete all Advanced Biblical Studies courses with at least a C and attain a minimum cumulative GPA of 2.4 for all Bible (BI) courses.
- 4. Satisfy all KCU Graduation Requirements.
- 5. KCU does not allow students to take more than 24% of their classes in a non-traditional format (e.g., internet or online classes). For a 121 hour program, no more than 30 hours may be in a non-traditional format.

SCHOOL OF SOCIAL WORK AND HUMAN SERVICES Bachelor of Social Work

Contact Person: Margaret McLaughlin, MSW, CSW Phone: (606) 474-3287

Dean, School of Social Work and Human Services E-mail: mclaughlin@kcu.edu

Mission Statement

The Social Work Program at Kentucky Christian University, a Christian faith-based institution of higher learning in rural Appalachia, exists to offer students

- An opportunity to learn and practice the values, skills, and knowledge of an entry level generalist social work practitioner,
- A Safe Place for students to assess their own personal values in light of Biblical and Social Work values; and
- **Empowerment**, in light of the university mission statement, to feel competent in their ability to value diversity and practice social work within the context of the profession's values and ethics.

Program Curriculum Goals

Graduates will:

- 1. Demonstrate sensitivity to the hurting and the different.
- 2. Demonstrate preparation for careers that advance service to others.
- 3. Develop and practice their self-awareness of their responsibility as Christians and Social Workers to continue their spiritual, personal, and professional growth and development.

Programs Offered

Bachelor of Social Work

Admission Requirements

The Bachelor of Social Work Program at Kentucky Christian University is accredited by the Council on Social Work Education (CSWE).

1. Enrollment in Introductory Social Work Courses

All students who wish to be a part of the Social Work program will be impartially considered. Students who declare their professional choice to be that of Social Work will be assigned a Social Work faculty advisor who will assist them through the admissions process.

2. Application for Admission to the Social Work Program

Students apply for admission to the Social Work program after successful completion of HSW 200 and HSW 201. Upper class transfer students may make application with permission of the Program Director. Application forms are in the Social Work Student Handbook which is given to students in HSW 201. Students may also obtain it on the Social Work Program page of the KCU website (www.kcu.edu) or from the Social Work Program office.

The admission process begins when students petition the Social Work Program Director for admission. Consultation with the Social Work advisor must be completed. Completion of the following criteria is necessary before admission to the program can be granted:

- Minimum GPA of 2.0 overall
- ACT composite score of 18 or an SAT Verbal score of 450 and Math of 450. Provisional
 admission will be considered for students with a lower ACT or SAT score IF the student
 has a minimum GPA of 3.0 overall in 100 level and higher college course work completed.
- Completion of the program application form.

Students will be admitted to the Social Work program upon successful completion of the admission process and informed of their admittance in writing after the entrance interview. Admitted students who drop out, or are dismissed, may be readmitted, providing that selected portions of the application procedures are repeated successfully.

Successful completion of the entrance interview, where student achievement of Graduation Competencies at the "novice" level occurs, is evaluated, and documented in the "Student Portfolio". (For more information about Student Portfolio, see section entitled "Student Portfolio" in the Social Work Program Student Handbook.)

3. Continuance in the Social Work Program

Although students who apply for the Social Work Program may meet admissions qualifications, they may later exhibit behaviors that would not produce an acceptable level of performance as a beginning professional social workers. Student performance is reviewed by Social Work faculty during three separate competency evaluations. Field Faculty input will also play a role in this process. The Social Work faculty make the final decision about whether a student should, or should not, continue in the Social Work Program. Continuance in the Social Work Program requires the following:

- Minimum of GP A of 2.0 in all course work.
- Demonstrated personal qualities essential for working with people (as evaluated during competency reviews). These qualities include, but are not limited to:
 - ✓ Value orientation consistent with the Social Work profession
 - ✓ Sensitivity to the needs of people✓ Self-awareness

 - ✓ A sense of responsibility
- Completion of Student Self-Clearing Statement.
- Successful completion of the continuance interview, where student achievement of Graduation competencies at the "Intermediate" level occurs, is evaluated and documented in the "Student Portfolio".

4. Notification of Deficit Requirements

It is the student's responsibility to be aware and notify his/her advisor of deficits in meeting program requirements. The student who proactively works with his/her advisor in identifying and addressing deficits has a much better chance of rectifying problems. Failure to notify advisor of deficits may result in termination from the program.

Students may also be placed on probationary status if they do not successfully complete the requirements for continuance or graduation. Normally, this probation will be limited to one semester, although two semesters may be granted in a case with extenuating circumstances. Students who do not remediate their performance during the probationary period will be dismissed from the program.

5. Termination

KCU's Social Work program measures student outcomes in courses based on demonstrated competencies in knowledge, values, and skills of the social work profession. competencies are documented in the interview process (admission, continuance, exit). Students are also expected to engage in behavior consistent with their Christian values and the National Association of Social Workers Code of Ethics. A breach of NASW's Code of Ethics could result in termination from the Social Work program at KCU.

When students are unable to achieve academic standards consistent with items listed for continuance in the Social Work Student Handbook, they will be dismissed from the Social Work Program and will be informed in writing. They will have the opportunity to meet with the Program Director to discuss their status. Readmission may be granted if deficiencies are corrected.

If a student is dismissed from Kentucky Christian University, then participation in the Social Work program is also terminated. If a student believes that he/she has been treated unfairly, he/she may appeal this decision as described in the appeals procedure in the Social Work Student Handbook.

6. Reapplying to the Program

The student is responsible for seeing that necessary forms are completed and formal evaluation conferences are scheduled to assure continuance. The student will work with his/her faculty advisor regarding any actions that result from competency evaluations.

Any students who voluntarily withdraw, or was dismissed from the program and wish to reapply, should:

- Schedule an appointment with the Director of the Social Work Program.
- Repeat the application process with the appropriate referrals.
- Schedule an interview with the Social Work Faculty.

7. Due Process

Whenever a student believes that he/she have been treated unfairly or in a way that abridges his/her rights, the student may consider using the Appeals Process as outlined in the Social Work Student Handbook.

8. Graduation Competencies

Prior to graduation, each Social Work Major will:

1. Meet requirements for formal admission into the program.

2. Complete the following courses with a minimum grade of C (C- is not acceptable).

- 3. Complete program exit testing.
- 4. Successful completion of the exit interview, where student achievement of Graduation Competencies at the "Proficient" level occurs, is evaluated an documented in the "Student Portfolio".
- 5. Maintain the required GPA for continuation in the program (minimum overall GPA of 2.0; minimum cumulative GPA of 2.5 in professional course work).
- 6. Demonstrated personal qualities essential for working with people (as evaluated during competency reviews). These qualities include, but are not limited to:
 - Value orientation consistent with the Social Work profession
 - Sensitivity to the needs of people
 - Self-awareness
 - A sense of responsibility
- 7. Completion of Student Self-Clearing Statement.
- 8. Meet all University requirements set forth for graduation as noted in the catalog in which the student enters the University

TRANSFER STUDENTS

Transfer credits for Social Work courses will be accepted by the KCU Social Work Program for comparable coursework from other CSWE accredited programs. Only C+ or higher work will be accepted. All transfer students must have a minimum cumulative grade point average of 2.0 on a 4.0 scale at the last institution attended. Official transcripts from all previous colleges attended are necessary.

Students wishing to transfer Social Work course work to KCU from a non- CSWE accredited program should submit course syllabi for comparison and evaluation by Social Work faculty, along with documentation f instructors' credentials. (See Advisor for procedure.)

No practice courses or Practicum experience will be transferable.

YANCEY SCHOOL OF NURSING

Contact Person Abigail Beck, MSN, RN Phone: (606) 474-3255

Dean Email: nursing@kcu.edu

Mission Statement

The mission of the Kentucky Christian University Yancey School of Nursing is to equip students as liberally educated nurses in a Christ-centered academic environment, with the values, core competencies, and core knowledge necessary to provide leadership and service for the nursing profession. A population-focused health care approach emphasizing health promotion and maintenance serves as the foundation to prepare graduates to function independently as clinical decision makers in multiple health care settings and pursue advanced professional education.

Program Outcomes

A Yancey School of Nursing Graduate is:

- 1. A caring and competent provider, designer, and coordinator of nursing care who demonstrates integrity, biblical values, and nondiscrimination in health promotion and illness management.
- A critical thinker who employs the nursing process and provides evidence-based health care information to individuals, families, and communities empowering them to make informed choices and decisions.
- A caring and competent manager of nursing care in a variety of settings respecting the dignity and worth of each patient regardless of ethnic identity, race, gender, age, status, diagnosis, or ability to pay.
- 4. An effective communicator who uses leadership skills to collaborate and partner with patients, families, communities, and other health care providers to promote wellness and effect social change for a healthy environment.
- 5. A professional practitioner and lifelong learner who understands health care systems and health care policy, encouraging legislation and policy consistent with the advancement of nursing care and health care.

Admissions Requirements

Admission seats to the Yancey School of Nursing (YSN) are limited. Admission consideration is conducted on a competitive basis by the Nursing Admission, Progression, and Graduation (NAPG) Committee. Pre-nursing students are to be advised by nursing faculty. Application to the nursing program takes place during the spring semester of the traditional freshman year, with formal acceptance decisions made the summer prior to the sophomore year. Formal acceptance is determined by multiple factors:

- 1. Successful completion of the following pre-requisite courses, with a "C" or above earned in each course:
 - ENG 101 English Composition I
 - ENG 102 English Composition II
 - BIO 111 Anatomy and Physiology I
 - BIO 112 Anatomy and Physiology II
 - HCP 101 Introduction to Psychology
- 2. Completion of 30 credit hours or more of college level coursework. Courses numbered below the 100 level will not be considered as part of the required 30 credit hours.
- 3. A minimum cumulative grade point average (GPA) of 2.5 on a 4.0 scale.

- 4. Minimum Composite ACT score of 21.
- 5. Personal statement describing the candidate's interest in nursing as a career and the reason for desiring to enroll in the YSN program.
- 6. Test of Foreign Language Exam: Minimum score of 207 (computer) or 540 (pencil) required for students from non-English-speaking cultures.
- 7. Life Science (Anatomy and Physiology I & II) courses must be completed within a 5 year timeframe prior to formal application.
- 8. Personal interviews may be required.

Admission Guidelines

When a student is admitted to the Yancey School of Nursing, they must ensure they have properly completed immunizations and basic life support training prior to entry the fall of their sophomore year. Specifically:

- Immunizations: 2-stp TB, Tetanus-Diphtheria (or DTAP), Chicken Pox, Polio, Hepatitis B Series, and MMR
- Healthcare Provider Basic Life Support

Documentation of completed immunizations and life support are required prior to entry into the clinical setting.

Technology Requirements

All Yancey School of Nursing students are required to have a laptop computer for instructional and testing purposes. This is required upon admission to the Yancey School of Nursing and will be utilized throughout the program. The computer must meet the following requirements and be reviewed and approved by University Telcom, Inc., located in the Ruth Administration Building on the KCU campus, (474-3250) before use:

- Windows 2000 or later
- Internet connection 10/100 Mbps or higher recommended
- Web browser
- Word Processor/Software (Microsoft Word, Power Point, Excel)
- Virus Protection Software

Graduation Requirements

- 1. Completion of university core requirements.
- 2. Achieves a minimum cumulative GPA of 2.0 on a 4.0 scale.
- 3. Achieve a safe nursing practice in clinical performance as well as a passing grade in clinical practice.
- 4. Earn a minimum grade of C in all science and nursing courses.
- Achieve a passing score on a proctored comprehensive, nationally-normed exam during NUR 418.
- 6. See the Yancey School of Nursing Handbook for further criteria.

Please refer to the Yancey School of Nursing Handbook for admission, progression, and Graduation, policies.

Course Descriptions

ARTS AND SCIENCES COURSE OFFERINGS

NOTE: Courses numbered in the 090's are pre-college-level courses which do not meet specific graduation requirements, although they do count as elective credit and toward enrollment status for such purposes as determining eligibility for housing, financial aid, and grade point average (GPA). Successful completion of these courses is required of students who do not demonstrate adequate grasp of basic skills at the time of entrance to the University.

ANTHROPOLOGY

ANT 400 ARCHAEOLOGY THEORY AND PRACTICE (3 hours)

An introduction to archaeology with an emphasis on archaeological theory, field work methods, artifact processing, human culture, and data interpretation. The course is designed to introduce students to human culture, theoretical concepts of archaeology, participation in field work, and the critical reading of archaeological reports with a focus on the archaeology of the Middle East. (Same as HIS 400/BHI 400. Offered Maymester Odd Years)

COMMUNICATION

COM 101 FUNDAMENTALS OF SPEECH (3 hours)

This course, accompanied by a lab, equips students with the fundamentals of skillful oral delivery. Students learn to prepare and present short informative and persuasive speeches. The selection and organization of material, methods of securing interest and attention, and elements of delivery are emphasized. (Prerequisite to all communications and preaching classes. Offered Every Semester)

ENGLISH

ENG 100 INTENSIVE COMPOSITION (4 hours)

This course is designed to help students understand and develop their writing, reading, and thinking abilities, with emphasis on the writing process. Special emphasis on mastering the conventions of written, professional English, including spelling, punctuation, basic grammar, sentence structure, and paragraph organization. Students will also be introduced to library and Internet research methods. Successful completion of this course requires demonstrated proficiency on a nationally-normed test of English skills including a writing sample. (Prerequisite: Required of all students with a score of 17 or below on the English subtest of the ACT. Offered Every Fall)

ENG 101 ENGLISH COMPOSITION I (3 hours)

This course is designed to help students understand and develop their writing, reading, and thinking abilities through writing and the examination of any variety of texts, including literature, with emphasis on the writing process, and to prepare students to develop analytical, interpretive, and synthesizing abilities. Students in this course will also be introduced to library and Internet research methods. (Prerequisite: English ACT score of 18 or above, or one semester of ENG 100. Offered Every Fall)

ENG 102 ENGLISH COMPOSITION II (3 hours)

English 102 builds on skills learned in English 101 by further leading students to analyze and write critically about any variety of texts, including literature, and to apply research skills toward the production of a research paper. (Prerequisite: a 2.0 in English 101. Offered Every Spring)

ENG 103 COMPOSITION: AN ACCELERATED COURSE (3 hours)

Combines the content of ENG 101 and ENG 102 with an emphasis on composition, library research, a research paper, and reading skills through literature. In combination with a departmental exam the course satisfies the KCU six-hour composition requirement for a bachelor's degree or any course prerequisite which cites ENG 102. (Prerequisites: English ACT component score of 27 or above or a score of 4 or 5 on the AP English exam and completion of a comprehensive departmental exam [equivalent to 3 credit hours to fulfill the requirement for ENG 101]. Offered Every Fall)

ENG 203 MASTERPIECES OF WORLD LITERATURE (3 hours)

This course introduces masterpieces of literature from various cultural traditions around the world. Through close reading of selected celebrated texts, students will gain an appreciation of the aesthetics of different literary forms and the diverse cultural contexts in which they are produced. (Offered Fall of Odd Years)

ENG 213 MASTERPIECES OF BRITISH LITERATURE (3 hours)

This course introduces masterpieces of literature written in English by writers from the British Isles. Through close reading of selected celebrated texts, students will broaden their reading experience while gaining depth and insight into specific texts which have influenced English-speaking peoples around the globe. (Offered Spring of Odd Years)

ENG 223 MASTERPIECES OF AMERICAN LITERATURE (3 hours)

This course introduces masterpieces of literature written in English by writers from the United States. Through close reading of selected celebrated texts, students will gain a broader appreciation of the American literary heritage while developing depth and insight in their understanding of specific texts. (Offered Every Fall and Selected Maymester Terms)

ENG 252, **DRAMA PRACTICUM (1 hour)**

352, 452

This course provides direct experience in the production and performance of plays. Students work with faculty in reading and interpreting dramatic texts in order to bring a play to the stage. Students must be selected for a significant role in the play (one requiring 90+ hours of work), either performance or production. May be repeated for credit with different plays, for a maximum of 3 credit hours. (Offered Every Spring)

CREATIVE WRITING (3 hours) ENG 302

A course emphasizing the writing of short stories, with study and practical application of the major elements of fiction, with attention to writing processes and projects appropriate to children in middle school through early high school. (Prerequisite: ENG 102 or 103. Offered Spring of Even Years)

ENG 303 GRAMMAR OF THE ENGLISH LANGUAGE (3 hours)

A systematic and rigorous survey of the structure of contemporary English grammar. This on-line course explores usage problems associated with contemporary grammar in both speech and writing. Some of the topics covered in the course will include the structure of clauses and phrases, word classes, linking clauses, punctuation, various usage problems (e.g. subject-verb agreement, pronoun agreement, auxiliary verbs, case, confusion of adjectives and adverbs), style (e.g. emphasis, clarity, consistency, cohesion, coherence and unity). (Prerequisite: ENG 102 or 103. Offered Fall of Odd Years)

LITERATURE AND THE ARTS IN THE WESTERN TRADITION (3 hours) **ENG 304**

This course fosters an understanding of landmarks of the Western cultural heritage in literature and the arts, with related studies in religion, language, and philosophy as appropriate. Same as HUM 302. (Prerequisite: ENG 102 or 103. Offered Spring of Odd Years)

ENG 305 LITERATURE AND THE ARTS IN SELECTED WORLD CULTURES (3 hours)

This course fosters an understanding of landmarks of selected works from cultures outside the Western tradition in literature and the arts, with related studies in religion, language, and philosophy as appropriate. Same as HUM 303. (Prerequisite: ENG 102 or 103. Offered Spring of Even Years)

SPECIAL TOPICS IN LITERATURE: AUTHOR STUDIES (3 hours) ENG 311,

Various courses may be offered under these numbers in the study of significant authors in literature. 411 individually or in groups; literary genres; or literary periods. May be repeated for credit with different topics. (Prerequisite: ENG 102 or 103. One Offered Every Semester and Selected Maymester and J-Terms)

SHAKESPEARE (3 hours) ENG 401

This on-line course focuses on Shakespeare's major plays, and the historical and social context in which they were first produced. Some attention to Shakespeare's minor poetry. (Prerequisite: ENG 102 or 103. Offered Selected Maymester Terms)

ENG 451 SEMINAR (1-3 hours)

An advanced study in a particular area of English. (Prerequisite: ENG 102 or 103. Offered on Demand)

FOUNDATIONS

ESSENTIAL ACADEMIC SUCCESS STRATEGIES (1 hour institutional credit) FND 095

This course provides practical skills for improving academic performance through self-discovery, selfmanagement, and organization. Students will learn methods to motivate themselves to achieve and to take personal responsibility for their academic success. Course content covers personal organization, notetaking, study skills, and test-taking strategies. Required of all students entering KCU on conditional or probationary status. (Offered Every Fall; Offered Spring On Demand.)

FND 101 COLLEGE 101 (1 Hour)

A one-hour course required of all incoming freshmen and transfer students at Kentucky Christian University, provides both an introduction to higher education and a general orientation to the functions, values, and resources of KCU. The course is designed to help new students adjust to college; to develop a better understanding of the learning process and to acquire basic academic "survival skills"; culture and traditions of KCU; and, ethical and spiritual development. The course provides a "support group" for students in a critical year by examining problems common to new students, especially freshmen, in an atmosphere somewhat less formal and rigorous than traditional courses. Faculty, staff and administrative personnel who have a special interest in freshman education assist the course facilitator in teaching the class.

GEOGRAPHY

GEO 220 INTRODUCTION TO HISTORICAL GEOGRAPHY (3 hours)

An examination of the importance of geography in historical studies. This course will examine the use of maps, demographics, climate, processes, human and environmental factors to interpret the past in World regions and North America. (Same as HIS 210. Prerequisite: His 1___. Offered Maymester Only)

HIS 250 HISTORICAL METHODS (3 hours)

A study of the history of the Middle East from the rise of Islam to modern times. This course includes not only political history, but also an examination of Islam, and the social and economic changes in this region. (Prerequisites: HIS 1__ or the permission of the instructor. Offered Fall of Odd Years)

HIS 301 KENTUCKY HISTORY (3 hours)

This course examines the development of Kentucky from its earliest days. It will also study the complexity of that development which involved the interplay of geographic, cultural, political, economic, social and religious factors and values. Historical thinking and understanding will be stressed. (Prerequisites: HIS 1_ or permission of the instructor. Offered Spring of Odd Years)

HIS 310 STUDIES IN EARLY AMERICAN HISTORY (3 hours)

An examination of the history of Early American period, this course may be repeated with a different focus. Course topics include but are not limited to: A. **Foundation of the American Constitution**; B. **American Revolution**, and C. **Colonial History**. (Prerequisite HIS 1_Offered Every Fall)

HIS 315 STUDIES IN MIDDLE AMERCIAN HISTORY (3 hours)

An examination of the history of the Middle American period, this course may be repeated with a different focus. Course topics include but are not limited to: A. **Age of Jefferson and Jackson**; B. **The Civil War**; C. **American Constitutional History I: 1789-1896**. (Prerequisite HIS 1__. Offered Every Spring)

HIS 323 STUDIES IN MODERN AMERCIAN HISTORY (3 hours)

An examination of the history of the Modern American period, this course may be repeated with a different focus. Course topics include but are not limited to: A. **History of the Twentieth Century**; B. **The Gilded Age and Progressive Era**; C. **American Constitutional History I: 1896-Present.** (Prerequisite HIS 1__. Offered Every Spring)

HIS 325 STUDIES IN APPLIED HISTORY (1 hour)

A course that explores the many aspects of applied history. The focus will be participation in out-of-the classroom experience. Participation in the Herodotus Society (History/PreLaw student organization) is also required. Three hours of this course are required for graduation; it may be taken each semester and the additional hours beyond the 3 required used to fulfill history elective hours. No prerequisites and open to all students. (Offered Every Semester)

HIS 400 ARCHAEOLOGY THEORY AND PRACTICE (3 hours)

An introduction to archaeology with an emphasis on archaeological theory, field work methods, artifact processing, human culture, and data interpretation. The course is designed to introduce students to human culture, theoretical concepts of archaeology, participation in field work, and the critical reading of archaeological reports with a focus on the archaeology of the Middle East. (Same as ANT 400/BHI 400. Offered Maymester Odd Years)

HIS 405 STUDIES IN HISTORY AND ARCHAEOLOGY (3 hours)

An examination of the history and archaeology of different areas, this course may be repeated with a different focus. Course topics include but are not limited to: A. **History and Archaeology of the Greco-Roman Period**; B. **History and Archaeology of the Ancient Near East**. (Prerequisite HIS 1__. Same as BHI 405. Offered Every Spring)

HIS 420 STUDIES IN NON WESTERN HISTORY (3 hours)

An examination of the history of the non western world, this course may be repeated with a different focus. Course topics include but are not limited to: A. **History of the Middle East**; B. **History of the Ottoman Empire**. (Prerequisite HIS 1 . Offered Every Spring)

HIS 425 STUDIES IN THE HISTORY OF CHRISTIANITY (3 hours)

An examination of the history of Christianity, this course may be repeated with a different focus. Course topics include but are not limited to: A. **History of the Restoration Movement**; B. **History of Christianity**; C. **Early Church History**. (Prerequisite HIS 1__. Offered Every Spring)

HIS 430 HISTORY SEMINAR (1 to 3 hours)

A seminar focusing on some in-depth historical study. Topic to be announced. (Prerequisites: HIS 1_1 and HIS 1_2 and Junior or senior standing or the permission of the instructor. Offered On Demand)

HIS 431, GUIDED HISTORICAL FIELD EXPERIENCE (1 to 3 hours)

A guided field experience in some aspect of historical study or archeology, in the United States or abroad. Includes preparation for the experience, the actual experience in the field, and a post fieldwork assessment. Participation in archaeological fieldwork, an organized study tour, involvement in historical preservation projects, or work in museums or archives may be included. (Prerequisites: HIS 101 and 102 or HIS 111 and 112; permission of the instructor; sophomore standing or above; 2.5 GPA or above; and permission of the Office of Student Life. Offered On Demand)

HIS 440 STUDIES IN ANCIENT HISTORY (3 hours)

An examination of the history and archaeology of different areas, this course may be repeated with a different focus. Course topics include but are not limited to: A. **History of Ancient Rome**; B. **History of Ancient Greece**; **C. History of Egypt**. (Prerequisite HIS 1___.)

HIS 441, INDEPENDENT STUDY (1 to 3 hours)

442, 443 Includes readings, research, and discussions with an emphasis on research and writing in the field of history. May involve investigation of problems of historical and contemporary significance. (Prerequisite: Instructor consent. Offered On Demand)

HIS 444 SENIOR SEMINAR (3 hours)

Involves research with oral and written presentations designed to assess students' achievement. (Prerequisites: 18 hours completed in History major or permission of the instructor. Offered Every Spring)

HIS 450 STUDIES IN MEDIEVAL HISTORY (3 hours)

An examination of the history of the medieval world, this course may be repeated with a different focus. Course topics include but are not limited to: A. **Medieval History**; B. **History of the Crusades**. (Prerequisite HIS 1__. Offered Every Spring)

HIS 460 STUDIES IN EUROPEAN HISTORY (3 hours)

An examination of the history of Europe, this course may be repeated with a different focus. Course topics include but are not limited to: A. **Hitler and the Holocaust**; B. **The French Revolution/Age of Napoleon**; C. **The Renaissance and Reformation Period**, D. **History of England**. (Prerequisite HIS 1__. Offered Every Spring)

HIS 462 AREA STUDIES: HISTORY (1 to 3 hours)

An overview of the social and cultural history of a particular people, region, or nation. Special attention will be given to religious and social history. (Prerequisite HIS1__ or the permission of the instructor. Offered On Demand)

HIS 490 INTERNSHIP IN HISTORY/PRE-LAW (1-3 hours)

A guided experience related to career in History or Law. To be approved by the Director of the History Program. (Offered On Demand)

HUMANITIES

HUM 100 THE MEDIUM OF ART: STUDIES IN FORM (1 hour)

An exploration of a single art form on both theoretical and practical levels. Includes a gallery trip to study examples of the form and hands-on exploration with a guest artist with expertise in the medium. May be repeated for credit with different media (drawing, painting, sculpture, and photography). (Offered Every Semester.)

HUM 101 HUMANITIES PERFORMANCE SERIES (0 credit hours)

A non-credit course providing the opportunity to participate in a variety of out-of-class cultural/intellectual activities (e.g. plays, concerts, art exhibits, films, etc.). Designed primarily for humanities students and as a co-requisite for selected A&S courses, but other interested students may also enroll. Course fee pays for transportation and ticket expenses. (Offered Every Semester)

HUM 201 INTRODUCTION TO INTERNSHIP (1 hour)

A one hour course designed to mentor sophomore humanities majors through the process of locating and successfully obtaining a meaningful internship opportunity which will meet the program requirements for internships. (Offered Every Spring)

HUM 301 FILM AND AMERICAN CULTURE (3 hours)

American films as both works of art and social documents. Relationship between the medium of film and American culture in the twentieth and twenty-first centuries. Emphasis on developing a critical understanding of film informed by faith. (Prerequisite: ENG 102 or 103. Offered Fall of Even Years)

HUM 302 ARTS AND HUMANITIES IN THE WESTERN TRADITION (3 hours)

Fosters an appreciation of the landmarks of the Western cultural heritage in religion, philosophy, language and literature, and the arts. Meets the literature requirement in the Arts and Sciences core for some degree programs. (Same as ENG 304. Prerequisites: ENG 102 or ENG 103. Offered Spring of Odd Years)

HUM 303 ARTS AND HUMANITIES IN SELECTED WORLD CULTURES (3 hours)

Fosters an appreciation of selected landmark works from cultures outside the Western tradition, drawing from religion, philosophy, language and literature, and the arts. Meets the literature requirement in the Arts and Sciences core for some degree programs. (Same as ENG 305. Prerequisites: ENG 102 or ENG 103. Offered Spring of Even Years)

HUM 401 INTERNSHIP (3 hours)

Designed to provide students with 240 hours of direct experience in a career field related to the humanities. (Prerequisites: HUM 302 and 303. Offered on Demand)

LANGUAGE

SPA 101 BEGINNING SPANISH I (3 hours)

A beginning study of grammar with practice in hearing, speaking, reading, and writing Spanish. (Offered Every Fall)

SPA 102 BEGINNING SPANISH II (3 hours)

A continuation of SPA 101. A course in reading, writing, and conversation, with emphasis on grammar, vocabulary, and pronunciation. (Prerequisite: C (2.0) or higher in SPA 101 or permission of the instructor. Offered Every Spring)

SPA 130 AREA STUDIES: LANGUAGE (3 hours)

The essentials of grammar, vocabulary, pronunciation, and usage of a non-English language specific to an off-campus learning experience. (Offered on Demand)

SPA 140 AREA STUDIES: LANGUAGE (3 hours)

A continuation of SPA 130. (Offered on Demand)

SPA 201 INTERMEDIATE SPANISH I (3 hours)

Reading of Spanish texts, review of essentials of Spanish grammar, and conversational practice. (Prerequisite: C (2.0) or higher in SPA 102 or permission of the instructor. Offered Every Fall)

SPA 202 INTERMEDIATE SPANISH II (3 hours)

A continuation of SPA 201. Reading of challenging Spanish texts; review of advanced concepts of Spanish grammar; continued conversational practice. (Prerequisite: C (2.0) or higher in SPA 201 or permission of the instructor. Offered Every Spring)

MATHEMATICS

MAT 090 FUNDAMENTALS OF MATHEMATICS (3 institutional credit hours)

A study of numerical function and operations. Basic algebraic operations and geometric functions are discussed. A proficiency exam is required at the end of the course. (Required of all students with a 14 or below on the Math Subtest of the ACT. Offered Every Fall)

MAT 099 MATHEMATICS LAB (1 institutional credit hour)

A laboratory experience used to reinforce mathematics skills as discussed in MAT 220. Meets two hours per week. (Co-requisite: MAT 220 for all students with a 14 or below on the Math Subtest of the ACT. Offered Every Spring)

MAT 211 MATH TEACHERS I (3 hours)

Designed for early elementary and middle grade teacher education majors to provide a working knowledge of geometric and arithmetic sequences, operations with whole numbers, rational numbers, real numbers, the concept of equations, number theory, and problem solving. (Prerequisite: 17 or above on the math subtest of the ACT or C [2.0] in MAT 090. Offered Every Fall)

MAT 212 MATH FOR TEACHERS II (3 hours)

A continuation of MAT 211. Includes an introduction to probability and statistics, geometry, and problem solving. (Prerequisite: MAT 211 or permission of the instructor. Offered Every Spring)

MAT 213 THE MATHEMATICS OF NURSING (3 hours)

Designed for nursing majors ONLY in order to provide a working knowledge of number systems, fractions, decimals, and percentages as well as a study of ratio and proportion. Medical systems of measurement will also be studied. (Offered Every Spring)

MAT 220 FUNDAMENTALS OF ALGEBRA (3 hours)

Designed to meet the prerequisite for Statistics (HCP 222, BUS 292, and MAT 302). Includes the basic concepts of arithmetic, linear equations, inequalities, polynomials, factoring, radicals, and quadratic equations. (NOT ACCEPTABLE as credit for teacher education majors choosing a math concentration in the middle grades 5-8). (Prerequisite: C [2.0] in MAT 090 or 15 or above on the Math Subtest of the ACT. Students with scores of 14 or below on the Math Subtest of the ACT, or must also enroll in MAT 099 as a co-requisite. Offered Every Semester)

MAT 231 PRE-CALCULUS (3 hours)

A course intended for middle grade and secondary math teacher education majors. This course includes operations with polynomials, simplifying rational expressions, solving linear and quadratic equations, solving systems of equations, working with trigonometric functions, using trigonometric identities. (Offered Every Fall.)

MAT 235 COMPUTER PROGRAMMING AND LITERACY (1 hour)

This course teaches basic computer programming utilizing QBasic software. Instruction on how to use the computer as a problem-solving tool, criteria for selecting and buying a computer, computer ethics, care and maintenance of hardware/software will be given. The course provides instruction on how to program graphing calculators with mathematical applications. It is intended for teacher education majors. (Corequisite CPS 110 and prerequisite CPS 101 or its equivalent. Offered Every Fall.)

MAT 241 GEOMETRY (3 hours)

A course intended for middle grade and secondary math teacher education majors. Involves the use of inductive and deductive reasoning along with the study of the properties of triangles, quadrilaterals, parallel and perpendicular lines, and symmetry through problem solving. Includes the development of geometric proofs and the use of the axioms and theorems of Euclidean geometry. Non-Euclidean geometry is also introduced. (Prerequisite: MAT 231 or permission of the instructor. Offered Spring of Even Years)

MAT 302 INTRODUCTION TO STATISTICS (3 hours)

This course is not part of the math secondary teacher education major. An introduction to quantitative methods in social science research. Topics include probability, descriptive statistics, and parametric and non-parametric inferential statistics. (Prerequisite: MAT 213, 220, 231, or instructor consent. Same as HCP 222. Offered Every Semester)

MAT 311 PROBABILITY AND STATISTICS (3 hours)

A course intended for secondary math teacher education majors. Includes sample spaces, probability distributions, rules for working with both independent and dependent events, permutations, combinations, confidence, intervals, hypothesis testing, correlation, regression, and analysis of variance. (Prerequisite/correquisite MAT 231. Offered Fall Odd Years)

MAT 321 CALCULUS I (4 hours)

A course intended for middle-grade and secondary math teacher education majors. Functions, limits and continuity are taught along with differentiation, integration, and their applications. (Prerequisite: MAT 231 or permission of the instructor. Offered Fall of Odd Years)

MAT 322 CALCULUS II (4 hours)

A continuation of MAT 321, this course is also intended for middle grade and secondary math teacher education majors. Logarithmic and exponential functions, sequences, infinite series, and differentiation and integration of two or more variables are discussed. (Prerequisite: MAT 321. Offered Spring of Even Years)

MAT 323 CALCULUS III (4 hours)

A continuation of MAT 322. This course is intended for secondary math teacher education majors. Conics, polar coordinates, vectors, and functions of several variables will be studied. (Prerequisite: MAT 322. Offered Fall of Even Years.)

MAT 324 PROBLEM SOLVING FOR TEACHERS (3 hours)

A course intended for middle grade and secondary math teacher education majors. Includes the modeling of "real life" situations and their solutions, using individual and small group work and various branches of mathematics (algebra, geometry, trigonometry, calculus). (Prerequisite: MAT 321. Offered Spring of Even Years.)

MAT 425 HISTORY OF MATHEMATICS (3 hours)

A course intended for secondary math teacher education majors. A survey course covering Babylonian and Egyptian mathematics to the present day. Emphasis will be placed on the development of the various branches of mathematics along with the personalities involved. (Prerequisites: MAT 241, MAT 321. Offered Spring of Even Years.)

MAT 431 LINEAR ALGEBRA (3 hours)

A course intended for secondary math teacher education majors. Includes the study of systems of linear equations and their associated matrix operations, vector spaces, and linear transformations. (Prerequisite: MAT 322. Offered Fall of Even Years.)

MAT 441 NUMBER THEORY (3 hours)

A course intended for secondary math teacher education majors. Includes the study of positive integers and their properties along with primes, congruences, and Diophantine equations. (Prerequisites: MAT 322, MAT 431. Offered Spring of Odd Years.)

MAT 442 ABSTRACT ALGEBRA (3 hours)

A course intended for secondary math teacher education majors. A study of number systems through the properties of groups, rings, integral domains, and fields. (Prerequisites: MAT 322, MAT 431. Offered Fall of Odd Years.)

PHILOSOPHY

PHI 301 INTRODUCTION TO PHILOSOPHY (3 hours)

Study of basic issues and intellectual activities considered by philosophers through the ages. Particular attention is given to the Christian viewpoint on various schools of thought. (Prerequisite: Junior or senior standing. Offered Spring of Even Years)

PHI 401 MASTERPIECES OF CHRISTIAN THOUGHT (3 hours)

This course is a delineation of the Christian worldview through readings in classic Christian literature from both the northern and southern hemispheres. (Same as BTH 401. Prerequisite: BTH 105. Offered Spring of Odd Years)

PHYSICAL EDUCATION

PED 111 INTERCOLLEGIATE SPORT (1/2 hour)

Participation as a member of intercollegiate teams is applied for ½ hour of credit per sports season. May be repeated for a maximum of 2 credits. (Offered Every Semester)

POLITICAL SCIENCE

POL 215 HISTORICAL APPROACHES TO AMERICAN STATE AND LOCAL GOVERNMENT (3 hours)

This course examines the evolution and development of state and local governments since the founding of the United States. The course will focus on the basic institutions and processes as well as a broad spectrum of current policy issues that affect government on both states and localities. (Same as HIS 215. Offered Maymester Only.)

POL 220 AMERICAN CIVICS (3 hours)

An examination of the United States government and politics that focuses on the major political concepts, theorists, and orientations within the American system, and the international contexts of the structure and relationship of the American government. (Same as HIS 220. Prerequisites HIS 1___). Offered Maymester Only)

SCIENCE BIOLOGY

BIO 107 SCIENCE AND SOCIETY (3 hours)

This course focuses upon basic scientific principles and their application to selected topics of current interest. As a consumer and a citizen, the student will be prepared with a body of knowledge which can be used to evaluate societal issues which are the consequence of human actions and technology.

BIO 108 HUMAN BIOLOGY (3 hours)

This course applies biological principles to practical human concerns enabling students to understand their bodies and their environment. Emphasis is placed on human anatomy, physiology, genetics, diseases, and the aging process. Meets a life-science requirement in most programs. (Offered Spring Even Years)

BIO 108L HUMAN BIOLOGY LAB (1 hour)

Laboratory exercises to reinforce basic concepts of human biology through hands-on activities. Designed for students majoring in teacher education, social work, and others desiring lab experience. (Offered Spring Even Years)

BIO 109 PRINCIPLES OF BIOLOGY (3 hours)

A survey of biological science with an emphasis on basic concepts and principles necessary for understanding life and living things. Topics of study include cell biology, genetics, plant and animal diversity, ecology, and natural selection. Course involves laboratory exercises. (Offered Spring Odd Years)

BIO 109L PRINCIPLES OF BIOLOGY LAB FOR TEACHERS (1 hour)

Laboratory exercises to reinforce basic concepts of biology through hands on activities. Designed for teacher education majors. (Offered Spring Odd Years)

BIO 113 ANATOMY AND PHYSIOLOGY I (3 hours)

This course is a study of the structures, functions, and integrating processes of the human body. Topics of study include basic chemistry concepts, anatomical terminology, cell biology, histology, the musculoskeletal system, the integumentary system, genetics, the reproductive systems, and embryology. An emphasis will be placed on the interaction among all systems in maintaining homeostasis. (Prerequisite: minimum of 19 on ACT. Offered Every Every Fall)

BIO 114 ANATOMY AND PHYSIOLOGY II (3 hours)

This course is a continuation of BIO 111. Topics of study include medical terminology, endocrinology, the nervous system and digestion, the cardiovascular system, immunity, respiration, the urinary system, and electrolyte and water balance. An emphasis will be placed on the interaction among all systems in maintaining homeostasis. (Prerequisite: BIO 113 with a grade of C or higher or instructor's consent. Offered Every Spring)

BIO 114L ANATOMY AND PHYSIOLOGY LAB (2 hours)

This laboratory course is intended to accompany BIO 114 and will provide activities and exercises to reinforce anatomical and physiological concepts. (Pre or co requisite: BIO 114. The course requires three hours of lab per week. Offered Every Spring)

BIO 151 GENERAL BIOLOGY (4 hours)

This course is intended to develop an understanding of general biological principles necessary to explore life at the cellular and molecular levels. Topics include cell structure and function, energetic, genetics, evolution, ecology and plant and animal diversity. The laboratory requires three hours per week. (Prerequisite: High School chemistry and an ACT of 19. Offered Every Fall)

BIO 160 GENERAL ZOOLOGY (4 hours)

This course is a comparative study of the structure, function and physiology of vertebrates and invertebrates. Emphasis is places on classification, identification and evolutionary trends. The course requires three hours of lecture and three hours of lab per week. (Prerequisite: BIO 151 with a grade of C or higher. Offered Every Spring)

BIO 210 MEDICAL TERMINOLOGY (3 hours)

This course provides the basic knowledge of medical language that students need to communicate clearly and understand communication from other health care team members. Exercises are included that help students memorize word parts and their meanings so they can combine parts to form medical terms. New terms and abbreviations reflect advances in technology and changes in health care delivery systems, providing the student with the most up-to-date terminology. This course **may not be** used to satisfy the science requirement of the core curriculum. (Offered Every Spring)

BIO 211 PRINCIPLES OF MICROBIOLOGY (3 hours)

A study of microorganisms with an emphasis placed on pathogenesis, principles of immunity and resistance to disease. Content of the course will include a study of microbial cell structure, physiology, environmental requirements, growth, modes of reproduction and genetics. (Prerequisite: BIO 114 or BIO 151 with a grade or C or higher. Offered Every Spring)

BIO 211L PRINCIPLES OF MICROBIOLOGY LAB (1 hour)

This course will introduce students to the basic microbiological techniques used in the laboratory for the isolation, growth and/or identification of medically important bacteria, fungi, and parasites. The lab requires two 90-minute periods per week. (Pre or Co- requisite: BIO 211. Offered Every Spring)

BIO 115 GENERAL BOTANY (4 hours)

This course is intended to provide an introduction to plant biology. Topics include plant structure and physiology, development, classification, diversity, and the roles plants play in ecological systems. Emphasis will be placed on the plant kingdom in terms of structure, ecology and exploring the nature of the major plant biomes. The lab, which will include field work, requires three hours per week. (Prerequisite: ACT of 21 and BIUO 115 with a grade of C or higher, or instructor permission. Offered Every Fall Beginning 2012)

BIO 312 PATHOPHYSIOLOGY (3 hours)

This course is an introduction to the abnormal functioning of the human body in relation to disease and the aging process. The course is intended to help the student understand the underlying scientific basis for why certain conditions appear when systems of the human body are affected by disease or aging. The course will build on the foundational concepts of normal body function from anatomy and physiology. (Prerequisite: BIO 114 with a minimum grade of C or higher. Offered Every Fall)

BIO 315 CELL BIOLOGY (3 hours)

This course is an introduction to the regulation of cellular structure and function at the molecular level with an emphasis on the integration of biological and chemical aspects at the molecular level. (Prerequisites: BIO 151, CHE 111, and CHE 112 with grades of C or higher. Offered Every Fall Beginning 2013)

BIO 320 GENETICS (3 hours)

A basic knowledge of Mendelian genetics and inheritance will be presented with such topics as meiosis, cytogenetics and population genetics. Emphasis is placed on DNA organization, protein synthesis, gene control and recombinant DNA technology and human genetic disorders. (Prerequisite: BIO 315 with a C or higher. Offered Every Spring Beginning 2014)

BIO 325 BIOCHEMESTRY (3 hours)

An introduction to cellular chemistry with topics presented in association with biological systems. Topics include protein structure and enzyme function, carbohydrate, lipid and amino acid metabolism, nucleic acid synthesis and function and genetic engineering. The lecture requires three hours per week and the lab required three hours per week. (Pre or Co-requisite: CHE 301 with a C or higher or instructor permissions. Offered Every Fall Beginning 2014)

BIO 401 EMBRYOLOGY (3 hours)

This course provides an in-depth study of vertebrate development from gamete formation to the completion of the fetal stage. The course required two hours of lecture and two hours of lab per week. (Prerequisites: BIO 115 and BIO 160 with grades of C or higher. Offered Every Fall Beginning 2014)

BIO 405 IMMUNOLOGY (4 hours)

An introduction to the biology and chemistry of the immune system. Includes discussion of basic cellular and molecular mechanisms of immunity, antigen/antibody reactions, antibody synthesis, humoral and cell-mediated immunity responses, the role of the immunity in disease and the aging processes, and modern laboratory techniques. The course requires three hours of lecture and three hours of lab per week. (Prerequisites: BIO 211 and CHE 302 with a grades of C or higher. Offered Every Fall Beginning 2014)

BIO 410 HISTOLOGY (3 hours)

The microscopic study of basic human tissues, including structural and functional relationships and biochemical relationships at the organ level. The course requires two hours of lecture and three hours of lab per week. (Prerequisites: BIO 114 and BIO 151 with grades of C or higher. Offered Every Spring Beginning 2015)

BIO 420 ECOLOGY (4 hours)

This course introduces students to modern ecology concepts. Topics include: adaptation of organisms to the environment; factors that influence the distribution and abundance of species; population structure, laws of thermodynamics and regulation; community development (succession), structure and function; food webs, energy flow, and nutrient cycling (Prerequisites: BIO 160 and BIO 215 with grades of C or higher or consent of the instructor. Offered Every Spring Beginning 2015)

BIO 430 SENIOR SEMINAR (1 hour)

Designed to provide practical experience in the oral presentation of a scientific paper. Students will prepare and present a seminar on their independent research interest as approved by the course instructor. This course is only open to biology majors and minors. (Prerequisites: Senior standing with a minimum of 15 hours in biology and a biology grade point average of 2.5 or higher. Offered Every Spring Beginning 2015)

BIO 441 SELECTED TOPICS IN BOILOGY (1 to 4 hours)

442,443, These are courses offered on a periodic basis to allow for study in a well defined area to expand on topics

444

discussed in regular coursework. Topics range from ecology and the environment to genetics, evolution and ethics in biological issues. Some topics will include hands-on laboratory activities or experimental design components. (Prerequisite: 18 hours in the sciences with a grade point average of 2.0 or higher. Offered As Needed)

PHYSICAL

CHE 111 GENERAL CHEMISTRY I (4 hours)

This course is a study of the basic principles of matter, including stoichiometry, atomic theory, bonding theories, gas laws, and acid/base theory. Laboratory experiments will emphasize lecture concepts and be an integral part of the course. The course requires three hours of lecture and three hours of lab per week. (Prerequisite: 1 year of high school algebra, MAT 231 or instructor permission. Offered Every Fall Beginning 2012)

CHE 112 GENERAL CHEMISTRY II (4 hours)

This is a continuation of CHE 111. Advanced topics covered in this course include: equilibria, acids and bases, complexes, sparingly soluble compounds, thermodynamics, kinetics, electrochemistry, and solution theory. Descriptive inorganic chemistry is also introduced. Laboratory exercises will emphasize lecture concepts and be an integral part of the course. The course requires three hours of lecture and three hours of lab per week. (Prerequisite: CHE 111 with a grade of C or higher. Offered Every Spring Beginning 2013)

CHE 301 ORGANIC CHEMISTRY I (4 hours)

This course is an introduction to the study of organic compounds. The structure, nomenclature, synthesis and reactions of the major classes or organic compounds are studied, along with the major themes of reaction mechanisms and spectroscopic methods of identification. The course requires three hours of lecture and three hours of laboratory per week. (Prerequisite: CHE 112 with a grade of C- or higher or permission of instructor. Offered Every Fall Beginning 2013)

CHE 302 ORGANIC CHEMISTRY II (4 hours)

This is a continuation of CHE 302. Topics of study will include reactions of aldehydes, ketones, phenols and alcohols. The course requires three hours of lecture and three hours of laboratory per week. (Prerequisite: CHE 301 with a grade of C- or higher. Offered Every Spring Beginning 2014)

PHY 102 INTRODUCTION TO EARTH SCIENCE (3 hours)

Emphasizes concepts and theories necessary for understanding the physical and dynamic processes of Earth. Includes classic physical geology meteorology, oceanography, ground water, soil formation, and biomes. (Offered As Needed)

PHY 102L EARTH SCIENCE LAB FOR TEACHERS (1 hour)

Laboratory exercises to reinforce basic concepts of earth science through hand on activities. Designed for teacher education majors. (Offered As Needed)

PHY 106 INTRODUCTION TO PHYSICAL SCIENCE (3 hours)

This course is an interdisciplinary study of chemistry, physics, astronomy, and earth science, with an emphasis on concepts, theories, and processes necessary for understanding the physical environment. Content includes basic concepts of matter, heat, light, mechanics, sound, electricity, magnetism, geology, meteorology, and the solar system. (Offered Every Fall)

PHY 106L PHYSICAL SCIENCE LAB FOR TEACHERS (1 hour)

Laboratory exercises to reinforce basic concepts of physical science through hands on activities. Designed for teacher education majors. (Offered Every Fall)

PHY 301 GENERAL PHYSICS I (4 hours)

The introduction of a two-semester survey of classical and modern physics, focusing on the motion of solids and fluids as governed by Newton's Law, the conservation laws of energy, momentum, and angular momentum. Other topics include mechanics of solids and fluids, heat, wave motion, electricity, magnetism and modern physics. The course requires two hours of lecture and three hours of lab per week. (Prerequisites: MAT 231. Offered Every Fall Beginning 2013)

PHY 302 GENERAL PHYSICS II (4 hours)

This course is a continuation of PHY 301 and covers the quantum mechanics of simple systems, atoms, and molecules; covering electrostatics, electrical circuits, magnetism, Maxwell's Equations, electromagnetic radiation, light and sound. The course requires two hours of lecture and three hours of lab per week. (Prerequisite: PHY 301 with a grade of C or higher. Offered Every Spring Beginning 2014)

BIBLICAL STUDIES COURSE OFFERINGS

BIBLICAL HISTORY AND ARCHAEOLOGY

BHI 400 ARCHAEOLOGY THEORY AND PRACTICE (3 hours)

An introduction to archaeology with an emphasis on archaeological theory, field work methods, artifact processing, human culture, and data interpretation. The course is designed to introduce students to human culture, theoretical concepts of archaeology, participation in field work, and the critical reading of archaeological reports with a focus on the archaeology of the Middle East. (Same as HIS 400/BHI 400. Offered Maymester Odd Years)

BHI 405 STUDIES IN HISTORY AND ARCHAEOLOGY (3 hours)

An examination of the history and archaeology of different areas, this course may be repeated with a different focus. Course topics include but are not limited to: A. **History and Archaeology of the Greco-Roman Period**; B. **History and Archaeology of the Ancient Near East**. (Prerequisite HIS 1__. Same as HIS 405. Offered Every Spring)

BHI 424 WORLD OF PAUL (3 hours)

An examination of a wide range of religious, sociological, and cultural topics to understand the world in which Christianity began and the New Testament was written. (Prerequisite: HIS 1__)

BHI 430 WORLD OF JESUS (3 hours)

This course will study the cultural and historical background to the life and ministry of Jesus by reading in archaeology, the Dead Sea Scrolls, the Apocrypha, the Mishnah, and in the social sciences. (Prerequisite: HIS 1__)

BHI 451, BIBLICAL HISTORY OR ARCHAEOLOGY SEMINAR (1 to 3 hours)

452, or 453 An advanced course in selected topics of historical backgrounds to the Bible, Intertestamental history, and/or biblical archaeology.

BIBLICAL LANGUAGES

BLA 241 BEGINNING GREEK I (3 hours)

A beginning course in New Testament Greek covering vocabulary, grammar, syntax, and use of Greek tools for Bible study, with readings in the Greek New Testament.

BLA 242 BEGINNING GREEK II (3 hours)

A continuation of BLA 241 (Prerequisites: BLA 241)

BLA 251 BEGINNING HEBREW I (3 hours)

A beginning course in classical Hebrew covering vocabulary, grammar, syntax, and use of Hebrew tools for Bible study, with readings in the Hebrew Old Testament.

BLA 252 BEGINNING HEBREW II (3 hours)

A continuation of BLA 251. (Prerequisites: BLA 251)

BLA 341 INTERMEDIATE GREEK I (3 hours)

Review and further study of advanced syntax and accidence, with application of rules of exegesis on selected passages of the New Testament. (Prerequisites: BLA 242)

BLA 342 INTERMEDIATE GREEK II (3 hours)

Further study of advanced syntax and accidence, with application of rules of exegesis on selected passages of the New Testament. (Prerequisites: BLA 341)

BLA 451, BIBLICAL LANGUAGE SEMINAR (1 to 3 hours)

452, or 453 An advanced exegetical study of a selected portion (book or books) of the Bible, making extensive use of original language skills. Appropriate knowledge of New Testament Greek or Old Testament Hebrew is prerequisite.

NEW TESTAMENT

BNT 230 LIFE AND TEACHINGS OF JESUS (3 hours)

An introduction to the main events and teachings of Jesus and to the historical background of first century Palestine. (Prerequisite: BTH 106)

BTH 403 ETHICS (3 hours)

An examination of the biblical and philosophical principles of right action, with discussion of contemporary issues. (Prerequisite: BTH 106)

BTH 405 SYSTEMATIC THEOLOGY (3 hours)

A study of the systematic theology of the biblical revelation arranged topically and including a careful comparison of contemporary theological interpretations. (Pre-requisite: BTH 106)

BTH 410 CHRIST & CULTURE (3 hours)

This is a capstone course that will pull together learning from previous courses in Bible, theology, philosophy, and literature. It will explore the relationship of worldview and culture formation, noting how other worldviews stand in comparison/contrast/tension with the Christian worldview. (Prerequisites: 24 hours of Bible and/or Theology)

BTH 420 THEOLOGY (3 hours)

An analytic study of biblical truth in relation to the Christian worldview. (Prerequisites: BTH 106, BOT 101, and 60 hours)

BTH 421 THEOLOGY OF WELLNESS (3 hours)

This theology seminar develops a Biblical/theological anthropology to provide a framework for the human services areas, including counseling, ministry, social work, and nursing. Issues of human/spiritual identity as created in God's image, development, pain and suffering, death and dying, relationships and the healing process. Love, faith, sin, forgiveness, and reconciliation are discussed reflecting the most recent research on the interconnections for healing with the awareness of and response to both the emotional and spiritual needs of individuals. (Prerequisites: BTH 106, BOT 101, and 60 hours)

BTH 432 APOLOGETICS (3 hours)

A study of the reasoned responses of Christians to objections to the faith both past and present, with a view to developing the student's ability to demonstrate the reasonableness of the Christian faith and worldview.

BTH 451. THEOLOGY SEMINAR (1 to 3 hours)

452, 453 An advanced study in some aspect of Christian theology, such as prayer or Christology.

BTH 454 ETHICS AND MEDICINE (BIOETHICS) (3 hours)

This course examines the theological and moral implications of the status of human persons as beings created in the image of God as implicated in ethical reflection related to the practice of medicine and related to the rise and proliferation of varied social applications of biotechnology. (Prerequisites: BTH 106, BOT 101, and 60 hours)

BTH 456 THEOLOGY AND PRACTICE OF MINISTRY (3 hours)

This course lays an historical, systematic, and practical theological foundation in the theory and praxis of preaching and teaching consistent with the Christian tradition in general, and with the Stone-Campbell heritage in particular. (Prerequisites: BTH 106, BNT 103, and 90 hours)

INTERCULTURAL STUDIES

IST 202 INTERCULTURAL THEORY AND PRACTICE (3 hours)

An introduction to the interdisciplinary study of culture, with an emphasis on the perspectives of cultural anthropology, religious studies, and Christian theology. Methodologies for analyzing culture will be surveyed, and a critical approach to cultures will be modeled. Basic methodological and informational tools with which students can begin to engage cultural studies will be introduced, so that an appreciation for the value of intercultural understanding can be developed. (Prerequisites: BTH 106, BOT 211 and 112, BSPS 101, ENG 101 and 102 or ENG 103, and HIS 101 and 102. Offered Every Spring)

IST 304 MISSIONARY LIFE AND PRACTICE (3 hours)

A course designed to prepare students for the challenging complexity of taking the Gospel of Christ to other cultures. (Offered Spring of Odd Years)

IST 312 MAJOR WORLD RELIGIONS (3 hours)

A descriptive analysis of the primary features of the major world religions. Special emphasis will be given to their comparison and encounter with Christianity and their significance for Christianity.

IST 314 STUDIES IN MISSIONS (3 hours)

A focused study of common problems encountered in intercultural ministry. These problems and strategies for minimizing/overcoming them will be examined using case study methodology. (Offered Spring of Even Years)

IST 322 INTERCULTURAL EXPERIENCE (3 to 9 hours)

A prolonged and direct experience in cultural interaction. Individualized pre-field orientation, on-site reflection and direction, and debriefing will be conducted to maximize the educational benefit of living in a diverse culture or sub-culture. (Prerequisites: For three hours credit: Junior standing or above. For six hours credit: Junior standing and ICS, Global Studies major. For nine hours credit: Junior standing and ICS, Mission Studies major. Offered Every Spring as Needed)

IST 323 CHRISTIANITY ACROSS CULTURES (3 hours)

An examination of the background, origin, development and spread of the Christian faith from the apostolic period until today. (Prerequisites: HIS 101 and 102 or HIS 111 and 112. Offered Fall of Even Years)

IST 324 GLOBAL CULTURES (3 hours)

A comparison and critique of global cultures using a global values model. The purpose is to help students understand, describe, and compare dominant world cultures. This increased awareness of global cultural similarities and dissimilarities supports effective intercultural interaction. (Offered Fall of Odd Years)

IST 333 GUIDED STUDY IN INTERCULTURAL STUDIES (1 to 3 hours)

A guided study of methods and sources related to a particular region or topic in Intercultural Studies. The focus will be determined by student interests and needs. (Offered On Demand)

IST 350 AREA STUDIES: CULTURAL STUDIES (3 hours)

An interdisciplinary study of the pattern of living of a particular people, region, or nation. Special attention will be given to developing cultural appreciation. (Offered On Demand)

IST 402 GLOBAL ISSUES (3 hours)

A survey of the global condition and patterns for Christian responses. The world's most urgent challenges will be assessed in light of the Christian tradition, and strategies for Christian engagement will be analyzed. The development of personal lifestyles more consistent with the teachings of Christ and global realities will be discussed and encouraged. (Prerequisites: Senior standing and instructor approval. Offered Fall of Odd Years)

IST 411 INTERCULTURAL COMMUNICATIONS (3 hours)

A study in the problems of effective communication with individuals and groups from cultures around the world as well as varied cultures within the United States. (Offered Fall of Even Years)

IST 420 AREA STUDIES: INTERNSHIP (4 hours)

Supervised practical experience in learning and serving a particular people, region, or nation. (Offered On Demand)

IST 430 AREA STUDIES: INTERNSHIP (4 hours)

A continuation of IST 420. (Offered On Demand)

IST 440 AREA STUDIES: SEMINAR (4 hours)

An advanced study of the culture of a particular people, region, or nation utilizing small group discussions, study tours, and exchanges of learning resources. (Offered On Demand)

IST 442 SENIOR INTEGRATION SEMINAR (3 hours)

A capstone course for the ICSP, in which students will be guided in the writing and delivery of a major paper which integrates their faith with intercultural studies. Each student will be required to address a particular global challenge in light of their Christian discipleship, and specific strategies and models for intercultural engagement will be developed. (Prerequisites: ICS majors in their last semester of study. Offered Every Spring)

IST 450 AREA STUDIES: SEMINAR (4 hours)

A continuation of IST 440. (Offered On Demand)

BUSINESS ADMINISTRATION COURSE OFFERINGS

ACCOUNTING

ACC 201 PRINCIPLES OF FINANCIAL ACCOUNTING (3 hours)

A study of fundamental accounting relationships, the accounting cycle, the accounting process for merchandising enterprises, receivables, payables, inventories, deferrals, accruals, and intangible assets.

ACC 202 PRINCIPLES OF MANAGERIAL ACCOUNTING (3 hours)

A study of accounting systems, concepts, and applications. The formation, organization, and operation of corporations and partnerships will be covered. Particular emphasis will be placed on financial statement analysis. (Prerequisite: BUS 102)

ACC 301 FINANCIAL ACCOUNTING – INTERMEDIATE (3 hours)

Study of the conceptual framework for financial accounting; theoretical principles, foundations, and concepts underlying financial statements; current assets and liabilities; property, plant, and equipment; short-term investments; contingencies; long-term liabilities; stockholders equity; retained earnings; and present value analysis. (Prerequisite: ACC 201 and 202 with a grade of at least "C" in each)

ACC 302 FINANCIAL STATEMENT ANALYSIS – INTERMEDIATE (3 hours)

Study of financial statements and their related footnotes; procedures and tools relating to financial statement analysis; the relationships among business transactions, environmental forces (economic, political, and social), and how financial statement information can help solve certain business problems. (Prerequisite: ACC 301 with a grade of at least "C.")

ACC 310 COST AND MANAGERIAL ACCOUNTING (3 hours)

Study of the origination, processing, reporting, and use of accounting information for management purposes in business operations; control and classification of manufacturing costs, job order and process cost analysis; materials, labor, and overhead analysis. (Prerequisite: ACC 201 and 202 with a grade of at least "C" in each.)

ACC 320 AUDITING AND CONTROL (3 hours)

Study of professional practice procedures and standards of auditing; audit working papers, control design, control systems, control evaluation, ethics, internal audit, legal liability, and sampling methods. (Prerequisite: ACC 201 and 202 with a grade of at least "C" in each)

ACC 390 INTERNSHIP IN ACCOUNTING (3 hours)

Focuses on students' career goals through academic discussion and evaluations, while placing students in professional internships with public and private enterprises. Offered on a pass/fail basis only. (Prerequisite: Completion of 90 semester hours of college coursework, completion of ACC 301 and 302 with a grade of at least "C" in each and consent of the internship coordinator)

ACC 430 FUNDAMENTALS OF TAXATION (3 hours)

Introduction to the role of taxes in contemporary society and the impact on individuals and business entities; emphasis on federal income taxation. (Prerequisite: ACC 201 and 202 with a grade of at least "C" in each)

ACC 440 FINANCIAL AND ADMINISTRATIVE INFORMATION SYSTEMS (3 hours)

Study of accounting information systems used within organizations. Topics include theory and practices relating to systems development; terms, concepts, and technology found within the accounting information systems environment; selected hardware and software concepts; fundamentals of accounting information systems analysis, design, implementation, and control. (Prerequisite: ACC 201 and 202 with a grade of at least "C" in each and BUS 341 with a grade of at least "C.")

ACC 450 FINANCIAL ACCOUNTING - ADVANCED (3 hours)

Study of accounting problems with respect to multiple ownership; requisitions; consolidated financial statements and partnership accounts; purchasing and pooling methods of business combinations; installment sales; foreign currency translation; segmental reporting; and other special topics. (Prerequisite: ACC 302 with a grade of at least "C.")

BUSINESS ADMINISTRATION

BUS 102 INTRODUCTION TO BUSINESS (3 hours)

A survey of the functional areas of business administration. Survey will include, but is not limited to, general principles of management, marketing, finance, accounting, and strategic planning. This course is designed for students who have no background in business.

BUS 261 BUSINESS COMMUNICATIONS (3 hours)

Principles and practices of modern written business communications are studied. Emphasis is placed on writing a variety of business letters and reports. (Prerequisites: ENG 101 and 102)

BUS 292 BUSINESS STATISTICAL METHODS (3 hours)

An introduction to quantitative methods in social science research. Topics covered will include: summation notation, probability, descriptive statistics, and parametric and non-parametric inferential statistics. (Prerequisite: MAT 220 or 221, or instructor consent)

BUS 341 MANAGEMENT INFORMATION SYSTEMS IN BUSINESS (3 hours)

Study of fundamental information technologies; the strategic opportunities and challenges that are emerging; terminology; use of information technology in globally networked organizations; developing business solutions for a competitive advantage; local area networking and wireless local area networking; and how technology can add value to organizational operations.

BUS 391 CAREER SEARCH SEMINAR (1 hour)

This course will teach students tools and techniques for conducting a successful job search. Topics include but are not limited to resume' preparation, interviewing skills, and methods for locating potential employment opportunities. (Offered Every Fall)

BUS 411 LEGAL ENVIRONMENT OF BUSINESS (3 hours)

A study of law and the U.S. legal system, social forces that impact the law, and business responses to the social and legal environment. BUS 412 STRATEGIC MANAGEMENT (3 hours)

This course will consist primarily of analyzing both for-profit and not-for-profit case scenarios and developing alternative solutions and recommendations for implementation. This course is intended to be a capstone course, which will integrate the various areas of business. (Prerequisite: Student has completed or is concurrently completing business or ministry management core)

BUS 472 APPLIED BUSINESS PROJECT (1 hour)

This course will consist of designing, implementing and evaluating projects designed to teach the principles of entrepreneurship, free-enterprise, and personal financial management to students and business owners in the

community. Projects will be presented in regional Students in Free Enterprise (SIFE) competitions. (Offered Every Spring. May be taken for credit up to 2 times)

CPS 101 INTRODUCTION TO COMPUTERS (3 hours)

An introductory computer literacy course that includes use of the computer as a problem-solving tool, selecting and buying criteria, ethics, word processing, electronic spreadsheets, database management, graphics, and Internet usage.

CPS 105 WORD PROCESSING (1 hour)

Word processing concepts will be introduced to help students create a variety of text documents including MLA reports, resumes, cover letters, Web pages, and desktop publishing. (Offered Every Fall)

CPS 106 SPREADSHEETS (1 hour)

Spreadsheet concepts will be introduced to help students create a variety of spreadsheets including budgets, electronic grade books, and payroll and tax spreadsheets. Creation of analytical charts will also be studied. (Offered Every Spring)

CPS 107 DATABASES (1 hour)

Database concepts will be introduced to help students learn to create a simple database table and a relational database table(s). Students will learn how to structure a database, add records to a database and sort and search records within a database. Creating reports from a database table and modifying reports will also be included. (Offered Every Fall)

CPS 108 PRESENTATION GRAPHICS (1 hour)

Presentation graphics will be introduced to help students learn to create slide shows with multimedia effects. (Offered Every Spring)

CPS 109 PROJECT MANAGEMENT (1 hour)

Students will develop the ability to utilize Project Management Software to schedule projects, schedule resources, and create project budgets. (Offered Every Fall)

CPS 110 WEB PAGE DESIGN (1 hour)

Basic web page design will be introduced. Students will learn to create web pages by using a popular web page design program, and also how to create a web page by using work processing templates. (Offered Every Spring)

CPS 190 COMPUTER THEORY (1 hour)

Computer theory that covers the IPOS (input, output, processing and storage) cycle will be presented. Current computer terminology, technology issues, and recent computer trends will also be discussed. (Offered Every Fall)

Semester Programs

ASP AMERICAN STUDIES PROGRAM

Founded in 1976, the American Studies Program has served hundreds of students from member institutions as a "Washington, D.C. campus." ASP uses Washington as a stimulating educational laboratory where collegians gain hands-on experience with an internship in their chosen field. Internships are tailored to fit the student's talents and aspirations and are available in a wide range of fields. They also explore pressing national and international issues in public policy seminars, which are issue-oriented, interdisciplinary and led by ASP faculty and Washington professionals. ASP bridges classroom and marketplace, combining biblical reflection, policy analysis and real-world experience. Students are exposed to on-the-job learning that helps them build for their future and gain perspective on the calling of God for their lives. They are challenged in a rigorous course of study to discover for themselves the meaning of Christ's Lordship in putting their beliefs into practice. The aim of the program is to help Council schools prepare their students to live faithfully in contemporary society as followers of Christ. Students earn 16 semester hours of credit.

CMP CONTEMPORARY MUSIC PROGRAM

The Contemporary Music Program provides students the opportunity to live and work in community while seeking to understand how God will have them integrate music, faith and business. Both interdisciplinary and multidisciplinary in nature, the CMP offers two tracks: the Artist Track and the Executive Track. The Artist track is tailored to students considering careers as vocalists, musicians, songwriters, recording artists, performers, producers and recording engineers. The Executive Track is designed for business, arts management, marketing, communications and other majors interested in possible careers as artist managers, agents, record company executives, music publishers, concert promoters and entertainment industry entrepreneurs. Both Artist and Executive track students receive instruction, experience and a uniquely Christian perspective on creativity and the marketplace, while working together to create and market a recording of original music. Both tracks include course work, labs, directed study and a practicum. Students earn 16 semester hours of credit.

CSP CHINA STUDIES PROGRAM

The China Studies Program enables students to engage this large and intriguing country from the inside. While living in and experiencing Chinese civilization firsthand, students participate in seminar courses on the historical, cultural, religious, geographical and economic realities of this strategic and populous nation. In addition to the study of standard Chinese, students are given opportunities such as assisting Chinese students learning English or working in an orphanage, allowing for one-on-one interaction. The program introduces students to the diversity of China, including Hong Kong, Beijing, Shanghai, Xi'an and Xiamen. This interdisciplinary, cross-cultural program enables students to deal with this increasingly important part of the world in an informed, Christ-centered way. Students earn 16 semester hours of credit.

HP-O HONOURS PROGRAMME-CMRS, OXFORD

Honors and other highly qualified students have the exciting opportunity to study in England through this interdisciplinary semester in Oxford. The rigorous academic program, aimed at increasing critical thinking skills and scholarship from an integrated Christian perspective, allows participants to choose from a wide

variety of tutorial study programs in numerous disciplines, including the arts, religion, history, literature and philosophy. In addition to two tutorials, students participate in a seminar and an integrative course through which they produce a scholarly project or term paper. Field trips provide opportunities for experiential learning in England's rich historical setting. Students earn 16 semester hours of credit.

LAFSC LOS ANGELES FILM STUDIES CENTER

The Los Angeles Film Studies Center is designed to train students of Council institutions to serve in various aspects of the film industry with both professional skill and Christian integrity. Students live, learn and work in the LA area near major studios. The curriculum consists of two required seminars focusing on the role of film in culture and the relationship of faith to work in this very influential industry. In addition, students choose two elective courses from a variety of offerings in film studies. Internships in various segments of the film industry provide students with hands-on experience. The combination of the internship and seminars allow students to explore the film industry within a Christian context and from a liberal arts

LASP LATIN AMERICAN STUDIES PROGRAM

Students of CCCU colleges have the opportunity to live and learn in Latin America through the Latin American Studies Program, based in San Jose, Costa Rica. The program introduces students to as wide a range of experiences through the study of the language, literature, culture, politics, history, economics, ecology and religion of the region. Living with a Costa Rican family, students experience and become apart of the day-to-day lives of typical Latin Americans. Students also take part in a service opportunity and travel for three weeks to nearby Central American nations. Students participate in one of four concentrations: Latin American Studies (Offered Both Fall and Spring Terms); Advanced Language and Literature (limited to Spanish majors and offered both fall and spring terms); International Business and Management (Offered Only in Fall Terms); and Tropical Sciences (Offered Only During Spring Terms). Students in all concentrations earn 16 semester credits.

MESP MIDDLE EAST STUDIES PROGRAM

This program, based in Cairo, Egypt, allows Council students to explore and interact with the complex and strategic world of the modern Middle East. The interdisciplinary seminars give students the opportunity to explore the diverse religious, social, cultural and political traditions of Middle Eastern people. In addition to seminars, students study the Arabic language and work as volunteers with various organizations in Cairo. Through travel to Israel, Palestine, Jordan, Syria and Turkey, students are exposed to the diversity and dynamism of the region. MESP encourages and equips students to relate to the Muslim world in an informed, constructive and Christ-centered manner at a time of tension and change. Students earn 16 semester hours of credit.

RSP RUSSIAN STUDIES PROGRAM

RSP students are exposed to the depth and diversity of the culture during a semester spent in Russia's three largest cities: Moscow, St. Petersburg and Nizhni Novgorod. In addition to three seminar courses entitled History and Sociology of Religion in Russia; Russian Peoples, Cultures and Literature; and Russian in Transition, students receive instruction in the Russian language, choosing either 4 or 6 semester hours of language coursework. For those choosing 4 hours of Russian, a seminar course, International Relations and Business in Russia, is available. RSP strives to give students as wide an experience as possible in this complex nation, beginning with time in Moscow, the heart of both medieval and modern Russia. Students then spend 12 weeks in Nizhni Novgorod, a strategic city on the Volga River. After six weeks of language instruction, students live with a Russian family for the remainder of their stay in this city. Students also participate in a service opportunity in Nizhni Novgorod. The program concludes with time in the complex and intriguing city of St. Petersburg, the Russian "window to the West." Students earn 16 semester hours of credit.

Summer Programs

CMRS SUMMER PROGRAMME – CMRS, OXFORD

This program allows students to spend a summer term studying at the Centre for Medieval and Renaissance Studies (CMRS) in Oxford, England. The program includes multi-disciplinary study of the Renaissance and Reformation through examination of philosophy, art, literature, science, music, politics and religion of early modern Europe in a choice of lectures, seminars and field trips. Students earn 6-9 semester credits, which are administered directly to member institutions by CMRS. Worth 6-9 hours of credit.

SIJ SUMMER INSTITUTE OF JOURNALISM

Council campuses are invited to choose two student journalists to apply for this four-week, all-expense-paid experience in Washington, D.C. Fifteen students are selected to participate in the Institute, which lasts from mid-May to mid-June. The Institute blends classroom experience with hands-on work and provides excellent opportunity to learn through lectures and panels with leading journalists who share a strong Christian commitment. Students also participate in seminars taught by communications professors from Council member institutions, take part in field trips and complete workshop projects for hometown newspapers. SIJ provides valuable insight and training in gathering and writing news, editing copy and designing layout. The Institute develops students as Christian journalists – exhibiting both professionalism and legal/ethical integrity. Students earn 4 semester hours of credit.

Visit Our Campus

A visit to our beautiful campus is a great way to determine if KCU is the school for you. By scheduling a visit with one of our knowledgeable enrollment counselors, you have the opportunity to sit in on a class, attend a chapel service, and eat in our cafeteria!

You can begin to learn about your future by talking with students who have made a commitment to KCU, visiting with professors who can guide you to your calling, and experiencing life in a community of believers.

CHRIST

Come to know Christ more fully.

CHARACTER

Become the person God created you to be.

CAREER

Prepare for a meaningful career.
